alive and relevant **The Gospel and the Land** William David Davies,1974 **The Land Cries Out** Salim J. Munayer,Lisa Loden,2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an innovative way to this important discussion The Aquarian Gospel of Jesus the Christ Levi H. Dowling,2007-04-01 The Aquarian Gospel of Jesus the Christ is Levi s most famous work published in 1907 In it he fills in the missing years of Jesus life with reports on his early education with Jewish rabbis a trip to India where he learned about Hinduism and the Vedas and his further travels to Tibet Persia Assyria Greece and Egypt The historical accuracy of Levi s writing is questionable and the work is considered apocryphal by all but the Church Universal and Triumphant but his message bolsters the heroic image of Jesus as a savior of men everywhere American preacher and author LEVI H DOWLING 1844 1911 was a dedicated ascetic who observed intense meditation and fasting in order to strengthen his spiritual power and understanding With this practice he claimed to have gotten access to God s Book of Remembrance which contains all knowledge of history and wrote a number of histories based the revelations within that book The Land, the Bible, and History Alain Marchadour,David Neuhaus,Cardinal Carlo Maria Martini,2009-08-25 This unique book offers a Catholic view of the Holy Land in the debate that rages among Jews Christians and Muslims Alain Marchadour and David Neuhaus two biblical scholars and priests living in Jerusalem clearly analyze the Promised Land as concept history and contested terrain in Catholic teaching and doctrine They offer an analytical reading of the entire Christian Bible Old and New Testaments with reference to the idea of the Land promised by God They explore early and medieval attitudes especially with regard to the Holy Places and the Jewish people Moving carefully to the present day they focus on anti-Semitism the tragedy of the Shoah Western colonialism in the Middle East the creation of the State of Israel and the birth of the Palestinian refugee problem as they examine Catholic reactions to the tumultuous events of the nineteenth and twentieth centuries particularly the renewal of Catholic thought in the aftermath of the Second Vatican Council Studying the most recent Church documents Marchadour and Neuhaus confront the ongoing struggle for peace justice and reconciliation in the Middle East This illuminating book is an essential tool for all those struggling to understand the links between the Bible the Church and contemporary Middle Eastern realities especially in Israel and Palestine Peace on Earth, Millennium of King Jesus G.
