Vicchio,2020-07-02 This book is the product of fifty years of scholarship It consists of two main parts the first is an essay on the history of interpreting the book of Job in Judaism Christianity and Islam The second part is a commentary on the book **The Book of Job in Wonderland** Ryan M. Armstrong,2024-10-08 The Book of Job in Wonderland explores the theme of mediation in the biblical book of Job with a unique approach that examines the Hebrew language the history of its interpretation and a comparative literary analysis of Lewis Carroll s Alice s Adventures in Wonderland Both of these classics relentlessly subvert genre expectations in order to protest didactic religious instruction In addition to biblical studies this book makes contributions to lexicography hermeneutics medieval Jewish thought early and modern Christianity literary theory and Victorian literature Have You an Arm Like God? Jeffrey K. Wisner,2015-09-01 Job is a person lifted out of ancient history in dramatic fashion addressing the most basic questions of life Is God good and just What does it mean to possess a secure relationship with God How can security be obtained The suffering of Job provides the impetus for a theological debate Jobs friends believe his sins caused his troubles Job refuses to submit to their hypocritical diatribes He prefers an audience with God He presumes to indict Gods testimony of justice in the world After his friends exhaust their efforts a young man confronts Jobs magisterial presentation He challenges Jobs declarations concerning Gods person and work He prepares him to meet with true majesty The Lord continues to challenge from a whirlwind His first speech reinforces His power of justice His ability to sustain life and His design through creation revealing the character of a God who oversees life with good intentions The second speech addresses Gods ability to judge and destroy the personality of evil The center of this speech reveals a Messianic expression of hope The way in which God introduces this testimony reinforces the understanding this Coming One is God Himself The knowledge gained by Job propels him into a spirit of praise and worship preparing him to minister as a priest for his erring friends **Chapters on Job for Young Readers** George Vance Smith,1887 *Transactions of the Royal Society of Literature of the United Kingdom* Royal Society of Literature (Great Britain),Royal Society of Literature (Great Britain).,1839 The Medieval Mystical Tradition Marion Glasscoe,1999 Interdisciplinary studies on medieval mystics and their cultural background *Transactions of the Royal Society of Literature of the United Kingdom* ,1839 **Transactions of the Royal Society of Literature of the United Kingdom** Royal Society of Literature of the United Kingdom,1839 Some Account of the Life and Adventures of Sir Regd.
