Jocko Comes to Stay Mary Lynne Wolfe, 1995-08-01 JOKO Karl Kofoed, 2006-11-01 FACT 1884 US Newspapers report the capture of Bigfoot by a train crew They call the Sasquatch Jacko and say He resembles a human being with one exception his entire body apart from his hands and feet is covered in hair He possesses extraordinary strength FACT 1884 Bigfoot mysteriously disappears presumably back into the wild FACT 1880s James Gilchrist Swan one of the most distinguished pioneers of the American North West spends much time in the wilderness and records Native American folklore and mysteries in his journal FACT There is still a 1 000 000 reward for information leading to the capture of Bigfoot THE STORY In 19th Century America young railroad hand Johnny and best friend Joko are on the run from all mankind Because the price on Joko s head is higher than that for the capture of any Wild West outlaw He s Sasquatch one of the last surviving members of the legendary and elusive Bigfoot race a goldmine for unscrupulous circus and freak show owners For a while Johnny evades their relentless hunters by protecting Joko in civilization by passing him off as a moonstruck teenage boy But when their stalkers get too close for comfort the desperate runaways take to the wilds where their roles are reversed as Joko becomes Johnny s protector In the wilderness they meet the famous frontiersman James G Swan who takes them under his wing But can a cunning disguise and modern education prepare the young Bigfoot for a place in the human race Much more than a spellbinding adventure for readers of all ages master story teller Karl Kofoed seamlessly blends fact and myth to look at the world from two vastly different points of view and examine what it really means to be human At the publisher s request this title is sold without DRM Digital Rights Management **Coming Home for Her** Jessika Klide, 2023-08-12 He came back for her but the truth stands in the way Jocko Monroe was Live Oak s golden boy blessed with a 100 mph fastball and a charm that turned heads wherever he went High school girls trailed him like shadows pro scouts dangled contracts and the world was his for the taking But Jocko didn t want the spotlight The day before he traded his cleats for combat boots as a Navy SEAL he pinned Jorja Jones against the lockers and stole her breath with a kiss that was as cruel as it was unforgettable Then he walked away leaving her stunned and the town buzzing with rumors that she was his girl She wasn t Humiliated and furious Jorja spent years fighting the whispers he left behind Six years later Jocko s back in Live Oak a decorated SEAL with scars grit and a singular mission claim the girl he never forgot But Jorja s not the wide eyed dreamer he remembers She s a sharp tongued journalist reluctantly assigned to profile him and his military working dog Luce for Southern Family Magazine s Heroes Among Us feature To her Jocko s a walking headline and a painful memory she d rather bury To him she s the one who got away and he s not leaving without a fight As Jorja digs into Jocko s story his heroism his sacrifices and the man beneath the myth old sparks flare into something dangerous The town still sees them as a fated pair but Jorja s determined to set the record straight she was never his girl Yet every interview every shared glance chips away at her defenses Jocko s not just chasing a past promise he s laying his heart on the line and this time he won t walk away without a word Coming Home

For Her is a steamy small town romance about rumors that won't die, hearts that won't heal, and a second shot at love that's as wild as a fastball. With a swoon-worthy hero, a fierce heroine, and a loyal canine sidekick, this is a tale of redemption and reckoning that will steal readers' hearts and keep them cheering until the final inning. What a truly inspiring and heartfelt story! I teared up so many times. This made me proud to be an American. Goodreads Review. Originally written in K Bromberg's *Everyday Heroes World*, previously titled *Rules of Engagement*, this new edition features additional scenes and expanded content.

St. Nicholas, 1875 **Music You Will Never Hear** Angelo J. Kaltsos, 2016-06-20 *MUSIC YOU WILL NEVER HEAR* is told from the perspective of the nephew of William Goudas who was living with his grandmother and William in Roxbury, Massachusetts, when the crime was committed. From his arrest to his time in confinement to the time spent with him after parole, author Angelo J. Kaltsos relates the story of his talented guitar-playing uncle's wasted life. In 1946, when nineteen-year-old William Bill Goudas was recruited to assist in a daring late evening burglary, he never would have guessed the night would end with the tragic murder of police sergeant William F. Healey. Presenting a true tale of crime and tragedy, *Music You Will Never Hear* recounts the events of that October evening decades ago as told by author Angelo J. Kaltsos. Goudas's nephew Goudas was a talented musician and had dreams of attending the New England Conservatory of Music, but these were not to come true. Instead, he would spend a large portion of his adult life in prison, leaving his talent to grow only as a prison musician and his family forever affected by the events. From his arrest to his time in confinement to the time spent with him after parole, Kaltsos relates the story of his uncle's wasted life. This personal narrative, presented from a family member's perspective, describes the killing of a police sergeant and the killer's unknown, extraordinary gift as a prison musician. I would have got up and played in those clubs with all those dudes, but there he goes, asking who you've played with. What could I say? I've played in prison for twenty-two years for killing a cop. William Goudas related this story to the author after his trip to New Orleans.

Crude Jo-Anne Wiley, 2022-04-15 The author of *Poison*, *Dark Angels*, *Crash*, *Diet*, *Porn*, and others has penned another edgy erotic thriller. One not for the faint of heart. Ten female specialists and ten grizzled wildcatters are thrown together on a derelict offshore drilling rig. However, someone has arrived ahead of them, someone intent on killing. The Supervisor is murdered, two female divers violated, and the radio room is ransacked, leaving the women cutoff and vulnerable. As one would expect, the line of command unravels. Seizing the opportunity, the men are determined to take from the women what isn't rendered willingly. Two female specialists who attempt to escape the butchery are stripped and found with their faces bound between each other's thighs, a dire warning to the others. The women rebel when an arms locker is discovered, and retribution is swift. The Foreman loses his parenting gear to the nurse's scalpel. But the women have yet to meet the real enemy. Super yacht *Excelsior* waits just beyond the horizon.
