John Frith Scholar And Martyr:

John Frith, Scholar and Martyr Brian Raynor, 2000 John Frith was one of the outstanding academics of his time He had a clear logical mathematical mind was highly respected and influenced many Yet in 1553 at the age of 30 he was burnt at the stake for writing books supporting doctrines of Reformation This work discusses his life **Luther in English** Michael S. Whiting, 2010-06-01 Recent studies have increasingly downplayed and in a few cases even wholly denied the influence of Martin Luther s theology of Law and Gospel on early English evangelicals such as William Tyndale The impact of a late medieval Augustinian renaissance Erasmian Humanism the Reformed tradition and Lollardy have all but eclipsed the more central role once attributed to Luther Whiting reexamines these claims with a thorough reevaluation of Luther s theology of Law and Gospel in its historical context spanning twenty five years something entirely lacking in all previous studies Based on extensive research in the primary sources with acute attention to the larger historical narrative and in dialogue with secondary scholarship Whiting argues that scholars have often oversimplified Luther s theology of Law and Gospel and have thus wrongly diminished his very significant even principal influence upon first generation evangelicals William Tyndale John Frith and Robert Barnes during the English Reformation of the 1520s and 30s **The Life and Writings of John Frith**

(1503-1533) David C. Hard, 2008 Reformer John Frith was burned as a heretic during the reign of Henry VIII because he denied the Roman dogmas of purgatory and transubstantiation This study seeks to trace the origin of Frith s adiaphorism

The Burning Time Virginia Rounding, 2017-10-31 Smithfield settled on the fringes of Roman London was once a place of revelry Jesters and crowds flocked for the medieval St Bartholomew's Day celebrations tournaments were plentiful and it became the location of London's most famous meat market Yet in Tudor England Smithfield had another more sinister use the public execution of heretics The Burning Time is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next The first martyrs were Catholics who cleaved to Rome in defiance of Henry VIII's break with the papacy But with the accession of Henry's daughter Mary soon to be nicknamed Bloody Mary the charge of heresy was leveled against devout Protestants who chose to burn rather than recant At the center of Virginia Rounding's vivid account of this extraordinary period are two very different characters The first is Richard Rich Thomas Cromwell's protégé who almost uniquely remained in a position of great power influence and wealth under three Tudor monarchs and who helped send many devout men and women to their deaths The second is John Deane Rector of St Bartholomew's who was able somehow to navigate the treacherous waters of changing dogma and help others to survive The Burning Time is their story but it is also the story of the hundreds of men and women who were put to the fire for their faith
