John Glenn A True American Hero:

The Last American Hero Alice L. George, 2020-11-10 On February 20 1962 John Glenn became a national star That morning at Cape Canaveral the small town boy from Ohio took his place atop a rocket and soared into space He became celebrated in all corners of the world as not just the first American to orbit the Earth but as the first space traveler to take the human race with him Refusing to let that dramatic day define his life he went on to become a four term US senator and returned to space at the age of seventy seven The Last American Hero is a stunning examination of the layers that formed the man a hero of the Cold War a two time astronaut a veteran senator a devoted husband and father and much more At a time when an increasingly cynical world needs heroes John Glenn s aura burns brightly in American memory *Godspeed, John Glenn* ,2006 Picture book biography of John Glenn the first American astronaut to orbit the earth *1st and Forever* Bob Casciola, Jon Land, 2018-08-28 Against a backdrop of increasing pressures and criticism of the game itself 1st and Forever takes a stand to contend that football is vital by showcasing the inner character of those who ve played the game From European refugees who carved out their legacies between yard markers to life changing humanitarians inspired by their on field experiences to Hall of Fame players whose positive influence has extended far beyond the close of their careers 1st and Forever stitches a tale of lives bettered defined and enriched by a sport that is like no other As a long time coach and former president of the National Football Foundation Bob Casciola has served the game he loves for decades In 1st and Forever he takes that service to a new level by laying out his case for why and how football must be saved Through a series of inspiring tales of his own experiences and interactions with many of those both big names and not with whom he s crossed paths Bob makes a case that the future for football can be as bright as its past 1st and Forever illuminates that the experience of the game itself is too positive and beneficial to cast aside especially for today s youth who deserve the same opportunity to shine on the field as well as off it *American Plate* Libby O Connell, 2014-11-11 Like many miniencyclopedias this one is studded with often intriguing facts Kirkus From the chief historian at HISTORY comes a rich chronicle of the evolution of American cuisine and culture from before Columbus s arrival to today Did you know that the first graham crackers were designed to reduce sexual desire Or that Americans have tried fad diets for almost two hundred years Why do we say things like buck for a dollar and living high on the hog How have economics technology and social movements changed our tastes Uncover these and other fascinating aspects of American food traditions in The American Plate Dr Libby H O Connell takes readers on a mouth watering journey through America s culinary evolution into the vibrant array of foods we savor today In 100 tantalizing bites ranging from blueberries and bagels to peanut butter hard cider and Cracker Jack O Connell reveals the astonishing ways that cultures and individuals have shaped our national diet and continue to influence how we cook and eat Peppered throughout with recipes photos and tidbits on dozens of foods from the surprising origins of Hershey Bars to the strange delicacies our ancestors enjoyed such as roast turtle and grilled beaver tail Inspiring and intensely satisfying The
