## **John Henry Mackay:**

John Henry Mackay John Henry Mackay, 2001-05-04 Shortly before his death in 1933 John Henry Mackay summed up his life and work in his final book *Summing Up* here in English for the first time with annotations by the translator Hubert Kennedy Mackay insisted that this book is not an autobiography or a memoirs but it is the closest he came to either In it he looks back on a long life of successes and alas mostly failures But he has no regrets for he remained true to himself and his early gained vision of individualist anarchism Although Mackay deliberately did not name persons here many of those names and much other valuable information have been supplied by the editor thus bringing us closer to the times recalled by the aging poet and propagandist In a book written mostly in aphorisms he sums up his life and work his literary and political views and one year before the Nazi assumption of power in Germany predicts the future influence of communism from the Soviet Union This volume also includes *Dear Tucker* Mackay's letters to his American anarchist friend Benjamin R Tucker written in English since Tucker did not read German Although one sided the letters from Tucker to Mackay were destroyed the correspondence gives evidence of a life long warm friendship between the leading representatives of individualist anarchism in Germany and America respectively The letters have been supplied with notes that identify the many persons mentioned in them thus helping to place them historically Of particular interest is the insight they give into Mackay's literary struggle under the pseudonym *Sagitta* to promote the cause of love between men and boys The letters reveal the ruthless opposition of the state in a classic example of the use of raw power to crush individual liberty Together *Summing Up* and *Dear Tucker* give us unexpected insights into the life and writings of John Henry Mackay They help us better appreciate this Scotch German lyricist novelist biographer and anarchist propagandist whose writings are indeed so various that they escape classification

**John Henry Mackay** John Henry Mackay, 2000-09-26 John Henry Mackay 1864 1933 wrote in a variety of styles This volume of his shorter fiction contains twenty five stories ranging in length from one page to the longer novella In this range it is essentially complete The themes also vary considerably for Mackay did not like to repeat himself Nevertheless as might be expected from the biographer of the egoist philosopher Max Stirner they often illustrate strong individuals Such are for example the protagonists of *The Sybarite* and *Herculean Triflings* Other stories probe the foibles of human nature in this category are *Then He Suddenly Remembered* and *The Voice* A surprising number of stories detail the carrying out of criminal schemes surprising because Mackay was the most honest of individuals This is seen in *The Stronger* and *The Great Coup* The longest of these stories *The Innocent* begins with a murder that is later solved But it is not a murder mystery rather it is the story of a transformation the subtitle the transformation of an extraordinary if recognizable personality into an even more extraordinary and unexpected personality First published in 1931 the setting gives a fascinating picture of life in Berlin at that time It is also pioneering in including homosexual characters whose homosexuality does not form the problem of the story but who are simply there as part of the plot This would not become usual for several decades But that is not the most

memorable part of this unusual story which is perhaps Mackay's delicious sarcasm in his portrait of the Great Poet of Germany. Though John Henry Mackay is best known as an anarchist propagandist, this volume is all together an excellent introduction to his work. Here in miniature are themes expressed at greater length in his novels and lyrically in his poetry. Critics often read his anarchist propaganda particularly the poems as literature and unjustly judged him by them. He saw the stories in this volume as a part of his literary legacy on which he wanted to be judged. They appear here for the first time in English.

*John Henry Mackay* Hubert Kennedy, 2000-05. John Henry Mackay 1864-1933 wrote in a variety of styles. This volume of his shorter fiction contains twenty five stories ranging in length from one page to the longer novella. In this range it is essentially complete. The themes also vary considerably for Mackay did not like to repeat himself. Nevertheless as might be expected from the biographer of the egoist philosopher Max Stirner, they often illustrate strong individuals. Such are for example the protagonists of *The Sybarite* and *Herculean Triflings*. Other stories probe the foibles of human nature in this category are *Then He Suddenly Remembered* and *The Voice*. A surprising number of stories detail the carrying out of criminal schemes, surprising because Mackay was the most honest of individuals. This is seen in *The Stronger* and *The Great Coup*. The longest of these stories *The Innocent* begins with a murder that is later solved. But it is not a murder mystery, rather it is the story of a transformation, the subtitle: the transformation of an extraordinary if recognizable personality into an even more extraordinary and unexpected personality. First published in 1931, the setting gives a fascinating picture of life in Berlin at that time. It is also pioneering in including homosexual characters whose homosexuality does not form the problem of the story but who are simply there as part of the plot. This would not become usual for several decades. **John Henry Mackay, the Unique** K. H. Z. Solneman, 1978. John Henry Mackay's Werke in Einem Band John Henry Mackay, 1928. **Three Novels** John Henry Mackay, 2002-01-07. John Henry Mackay was born on 6 February 1864 in Greenock, Scotland. His Scottish father died when Mackay was only nineteen months old and his German mother returned with him to Germany where he grew up with German as his mother tongue. He later learned English and translated a volume of American and English poems into German but did not write it well. After one year as an apprentice in a publishing house he was a student at three universities but only as an auditor. With a generous allowance from his mother he traveled much and began his long career as a writer. Fame came in 1891 with his propagandistic *The Anarchists* but Mackay wrote in a variety of literary forms and some of his lyric poetry was set to music by Richard Strauss. Mackay died in Berlin on 16 May 1933.
