John Stuart Mill A Biography:

Autobiography John Stuart Mill, 1873 **John Stuart Mill** Nicholas Capaldi, 2004-01-12 Publisher Description

Autobiography John Stuart Mill John Stuart Mill, 2015-11-18 It seems proper that I should prefix to the following biographical sketch some mention of the reasons which have made me think it desirable that I should leave behind me such a memorial of so uneventful a life as mine I do not for a moment imagine that any part of what I have to relate can be interesting to the public as a narrative or as being connected with myself But I have thought that in an age in which education and its improvement are the subject of more if not of profounder study than at any former period of English history it may be useful that there should be some record of an education which was unusual and remarkable and which whatever else it may have done has proved how much more than is commonly supposed may be taught and well taught in those early years which in the common modes of what is called instruction are little better than wasted It has also seemed to me that in an age of transition in opinions there may be somewhat both of interest and of benefit in noting the successive phases of any mind which was always pressing forward equally ready to learn and to unlearn either from its own thoughts or from those of others But a motive which weighs more with me than either of these is a desire to make acknowledgment of the debts which my intellectual and moral development owes to other persons some of them of recognised eminence others less known than they deserve to be and the one to whom most of all is due one whom the world had no opportunity of knowing The reader whom these things do not interest has only himself to blame if he reads farther and I do not desire any other indulgence from him than that of bearing in mind that for him these pages were not written I was born in London on the 20th of May 1806 and was the eldest son of James Mill the author of the History of British India My father the son of a petty tradesman and I believe small farmer at Northwater Bridge in the county of Angus was when a boy recommended by his abilities to the notice of Sir John Stuart of Fettercairn one of the Barons of the Exchequer in Scotland and was in consequence sent to the University of Edinburgh at the expense of a fund established by Lady Jane Stuart the wife of Sir John Stuart and some other ladies for educating young men for the Scottish Church He there went through the usual course of study and was licensed as a Preacher but never followed the profession having satisfied himself that he could not believe the doctrines of that or any other Church For a few years he was a private tutor in various families in Scotland among others that of the Marquis of Tweeddale but ended by taking up his residence in London and devoting himself to authorship Nor had he any other means of support until 1819 when he obtained an appointment in the India House **Autobiography of John Stuart Mill** John Stuart Mill, 1924 [Autobiography of John Stuart Mill](#) John Stuart Mill, 1960 Through Mill's autobiography the social and political climate of nineteenth century England comes alive The reader is given new insights into the events of an age the reform movements the English Irish question the development of democratic principles With candor and perception Mill discusses these issues and explains how they influenced his writing and thinking *John Stuart Mill* Nicholas Capaldi, 2004

Nicholas Capaldi's biography of John Stuart Mill traces the ways in which Mill's many endeavors are related and explores the significance of Mill's contribution to metaphysics epistemology ethics social and political philosophy the philosophy of religion and the philosophy of education

Autobiography of John Stuart Mill John Stuart Mill, John Jacob Coss, 2013-10

This is a new release of the original 1924 edition

The Autobiography of John Stuart Mill John Stuart Mill, 2016-12-03

John Stuart Mill's Autobiography is an honest account of the education of this great thinker of the nineteenth century It is an amazing account of an extraordinary life John Stuart Mill 20 May 1806 8 May 1873 was the most influential English language philosopher of the nineteenth century He was a naturalist a utilitarian and a liberal whose work explores the consequences of a thoroughgoing empiricist outlook In doing so he sought to combine the best of eighteenth century Enlightenment thinking with newly emerging currents of nineteenth century Romantic and historical philosophy Mill's conception of liberty justified the freedom of the individual in opposition to unlimited state and social control A member of the Liberal Party he was the first Member of Parliament to call for women's suffrage

Autobiography by John Stuart Mill John Stuart Mill, 2013-12

John Stuart Mill 20 May 1806 8 May 1873 was an English philosopher political economist and civil servant He was an influential contributor to social theory political theory and political economy He has been called the most influential English speaking philosopher of the nineteenth century Mill's conception of liberty justified the freedom of

the individual in opposition to unlimited state control He was a proponent of utilitarianism an ethical theory developed by Jeremy Bentham Hoping to remedy the problems found in an inductive approach to science such as confirmation bias he clearly set forth the premises of falsifiability as the key component in the scientific method Mill was also a Member of Parliament and an important figure in liberal political philosophy *Autobiography* John Stuart Mill,2007-11 John Stuart Mill 1806 1873 a British philosopher political economist civil servant and Member of Parliament was an influential liberal thinker of the 19th century He was an advocate of utilitarianism the ethical theory of his godfather Jeremy Bentham but his conception of it was very different from that of Bentham His father s History of India was published in 1818 immediately thereafter about the age of twelve Mill began a thorough study of the scholastic logic at the same time reading Aristotle s logical treatises in the original language A contemporary record of his studies from eight to thirteen is published in Bain s sketch of his life It suggests that his autobiography rather understates the amount of work done His works include Essays on Some Unsettled Questions of Political Economy 1844 Thoughts on Parliamentary Reform 1859 Auguste Comte and Positivism 1865 Considerations on Representative Government 1861 The Contest in America 1862 and Utilitarianism 1863 *John Stuart Mill* John Stuart Mill,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Early Draft of John Stuart Mill's Autobiography](#) John Stuart Mill,1961 *The Autobiography of John Stuart Mill* John Stuart Mill,2005-06-01 **John Stuart Mill** John Stuart Mill,2019-10-15 This classic memoir brings the complete biography of the one of the greatest thinkers of the western philosophy Mill is considered to be the most influential mind of liberalism His work contributed greatly to the development of social theory political theory and political economy thanks to which he earned the title of the most influential English speaking philosopher of the nineteenth century In this book John Stuart Mill described his life from childhood and early education until old age He wrote about his main interests notable ideas and great influences Contents Childhood and Early Education Moral Influences in Early Youth My Father s Character and Opinions Last Stage of Education and First of Self education Youthful Propagandism The Westminster Review A Crisis in My Mental History One Stage Onward Commencement of the Most Valuable Friendship of My Life My Father s Death Writings and Other Proceedings Up to 1840 General View of the Remainder of My Life Completion of the System of Logic Publication of the Principles of Political Economy Marriage Retirement From the India House Publication of Liberty Considerations on Representative Government Civil War in America Examination of Sir William Hamilton s Philosophy Parliamentary Life Remainder of My Life

Autobiography (1874). John Stuart Mill, 2019-10-14 John Stuart Mill 20 May 1806 7 May 1873 usually cited as J S Mill was a British philosopher political economist and civil servant One of the most influential thinkers in the history of classical liberalism he contributed widely to social theory political theory and political economy Dubbed the most influential English speaking philosopher of the nineteenth century Mill s conception of liberty justified the freedom of the individual in opposition to unlimited state and social control Mill was a proponent of utilitarianism an ethical theory developed by his predecessor Jeremy Bentham He contributed to the investigation of scientific methodology though his knowledge of the topic was based on the writings of others notably William Whewell John Herschel and Auguste Comte and research carried out for Mill by Alexander Bain Mill engaged in written debate with Whewell **Autobiography** John Stuart Mill, 2016-01-10 Complete digitally restored reprint facsimile of the original edition of 1874 third edition with excellent resolution and outstanding readability John Stuart Mill born May 20 1806 died May 8 1873 He was a British philosopher political economist and civil servant He was an influential contributor to social theory political theory and political economy He has been called the most influential English speaking philosopher of the nineteenth century Mill s conception of liberty justified the freedom of the individual in opposition to unlimited state control *John Stuart Mill, Autobiography*, 1873 **Autobiography (Annotated)** John Stuart Mill, 2015-11-19 John Stuart Mill 20 May 1806 8 May 1873 was an English philosopher political economist and civil servant He was an influential contributor to social theory political theory and political economy He has been called the most influential English speaking philosopher of the nineteenth century 3 Mill s conception of liberty justified the freedom of the individual in opposition to unlimited state control
