Understanding Ordinary Landscapes Paul Groth,Paul Erling Groth,Todd W. Bressi,1997-01-01 How does knowledge of everyday environments foster deeper understanding of both past and present cultural life Traditional studies in this field have been of rural life Here contributors explore aspects of the emergent field of urban cultural landscape studies with the challenging issues of class race ethnicity and subculture to demonstrate the value of investigating the many meanings of ordinary settings 67 illustrations **The Oxford Handbook of the Bible in America** Paul Gutjahr,2017-11-01 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation

and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation *Bibliography of Agriculture with Subject Index*, 1993-05

Britain, Palestine and Empire: The Mandate Years Rory Miller, 2016-04-15 In 1948 Britain withdrew from Palestine bringing to an end its 30 years of rule in the territory What followed has been well documented and is perhaps one of the most intractable problems of the post imperial age However the long standing connection between Britain and Palestine before May 1948 is also a fascinating story This volume takes a fresh look at the years of the British mandate for Palestine its politics economics and culture Contributors address themes such as religion mandatory administration economic development policy and counter insurgency violence art and culture and decolonization This book will be valuable to scholars of the British mandate but also more broadly to those interested in imperial history and the history of the West's involvement in the Middle East

The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

Fire & Ice Frederic Edwin Church, Thomas Weston Fels, 2002 Frederic Church 1826 1900 who gained international renown for paintings such as Niagara 1857 Heart of the Andes 1859 Twilight in the Wilderness 1860 and The Icebergs 1861 was inspired by his extensive travel and study His work was also informed by his appreciation of a new visual medium Fire and Ice a selection from the several thousand photographs and daguerreotypes Church collected at Olana his Orientalist home on the Hudson River provides insight into the interests and taste of one of nineteenth century America's greatest painters Church was a boy of thirteen when the invention of photography was announced to the world As a painter he was of the first generation to grow

up with photographs and consider them a useful adjunct to his work Church collected photographs and daguerreotypes by early pioneers of the art including D sir Charnay Eadweard Muybridge and Carleton Watkins His collection appears to have served largely as a source of inspiration and armchair travel reminding him of favorite locations and details of architecture culture and landscape In Fire and Ice images from Church s collection are shown along with a selection of his own oil sketches drawings and archival materials Some of the photographs are devoted to the varied geographical interests reflected in Church s art and travels Central and South America the Middle East and the polar North Others served as visual reference for the design and construction of Olana Lavishly illustrated Fire Ice shows how the photographs in Church s collection echoed the principal stages of the painter s career **The Edinburgh Review** ,1848 Subject Collections Stephen Calvert,1978 Classified bibliography of special collections of documentation and subject emphases as reported by various library services and museums in the USA and Canada **Theory in Landscape Architecture** Simon R. Swaffield,2002-11-22 Basic theoretical texts for landscape architects **Ideas of Chinese Gardens** Bianca Maria Rinaldi,2016-01-08 An annotated collection of essential texts written by European observers from the thirteenth to the nineteenth centuries Ideas of Chinese Gardens chronicles the evolution of Western perceptions of gardens of China from curiosity to admiration and ultimately to rejection echoing the changes in European attitudes toward China Guide to Sources for Agricultural and Biological Research J. Richard Blanchard,Lois Farrell,2023-07-28 **Between Venice and Istanbul** Siriol Davies,Jack L. Davis,2007 This book presents 13 studies on different regions of Greece that combine documentary and archaeological evidence to investigate the development of landscapes and sites between 1500 and 1800 A D Visions of Paradise John Warfield Simpson,1999-04-15 This book synthesizes views of America s changing environment and the Ideal of that environment from the time of the Founding Fathers to the present It is an exceptionally engaging account of American attitudes toward pristine and altered landscapes which they encountered settled in modified and moved westward from during the last three centuries **The Reader** ,1863 **The Correspondence of Washington Allston** Nathalia Wright,2014-07-15 Washington Allston 1779 1843 the first major American artist trained in Europe produced important paintings explored sculpture and architecture and published poetry and art criticism On his return to America he became influential in the cultural and intellectual life of New England Allston knew everyone and corresponded with many of the leading figures of his day including Wordsworth Longfellow Irving Sully and Morse Nathalia Wright s edition is the most comprehensive work to date on Allston bringing together all known letters by and to him and describing his principal activities in years for which correspondence is lacking Allston holds an important place in the history of American culture and European art and has long deserved such a volume which offers a fascinating view of the world of arts and letters during the early American flowering
