Central Lending Library Leeds (England). Public Libraries, Art Gallery and Museum,1907      This Is Our Message Emily Suzanne Johnson,2019-01-04 Over the past 50 years the architects of the religious right have become household names Jerry Falwell Pat Robertson James Dobson They have used their massively influential platforms to build the profiles of evangelical politicians like Mike Huckabee Rick Perry and Ted Cruz Now a new generation of leaders like Jerry Falwell Jr and Robert Jeffress enjoys unprecedented access to the Trump White House What all these leaders share besides their faith is their gender Men dominate the standard narrative of the rise of the religious right Yet during the 1970s and 1980s nationally prominent evangelical women played essential roles in shaping the priorities of the movement and mobilizing its supporters In particular they helped to formulate articulate and defend the traditionalist politics of gender and family that in turn made it easy to downplay the importance of their leadership roles In *This Is Our Message* Emily Johnson begins by examining the lives and work of four well known women evangelical marriage advice author Marabel Morgan singer and anti gay rights activist Anita Bryant author and political lobbyist Beverly LaHaye and televangelist Tammy Faye Bakker The book explores their impact on the rise of the New Christian Right and on the development of the evangelical subculture which is a key channel for injecting conservative political ideas into purportedly apolitical spaces Johnson then highlights the ongoing significance of this history through an analysis of Sarah Palin s vice presidential candidacy in 2008 and Michele Bachmann s presidential bid in 2012 These campaigns were made possible by the legacies of an earlier generation of conservative evangelical women who continue to impact our national conversations about gender family and sex      *Protestant Nonconformist Texts* David Bebbington,2017-11-28 This is a series of four substantial volumes designed to demonstrate the range of interests of the several Protestant Nonconformist traditions from the time of their Separatist harbingers in the sixteenth century to the end of the twentieth century It represents a major project of the Association of Denominational Historical Societies and Cognate Libraries Each volume comprises a General Introduction followed by texts illustrative of such topics as theology philosophy worship and socio political concerns This work has never before been drawn together for publication in this way Prepared by a team of twelve editors all of whom are expert in their areas and drawn from a number of the relevant traditions it will provide a much needed comprehensive view of Nonconformity told largely in the words of those whose story it is The works will prove to be an invaluable resource to scholars students academics and specialist and public libraries as well as to a wider range of church intellectual and general historians This volume gathers and introduces texts relating to English and Welsh Nonconformity Through contemporary writings it provides a vivid insight into the life and thought of the Methodists Congregationalists Baptists Quakers Unitarians and other groups that formed pieces in the diverse mosaic of the nineteenth century chapels Each aspect of Nonconformity has an introductory discussion which includes a guide to the secondary literature on the subject and each passage from a primary source is put in context      **Degrees of Influence** Geraint H. Jenkins,Gareth Elwyn Jones,2008 Few Welsh scholars of the modern era have served their profession

university and country as admirably as Sir Glanmor Williams 1921 2005 and this volume recounts his remarkable contributions to the flourishing of Welsh history during the past half century Highlighting the political economic educational and social threads in his work including the launch of the Welsh History Review the major publication series Studies in Welsh History the Oxford History of Wales and the Glamorgan County History as well as his charming and modest memoir A Lie this memorial tribute pays honor to an eminent figure in Welsh public life
