Vermont River is an elegy to the author's love of fly fishing in his native Vermont. Selected by Trout magazine as one of the thirty finest works on fly fishing, Vermont River will move readers with its radiant descriptions of Wetherell's beloved sport and region. In Upland Streams, Wetherell explores the meandering streams and crooked creeks that dot New England's landscape, the mighty rivers that flow through the Southwest and the crags and lochs that fill the countryside of Scotland. Conveyed with characteristic humor and introspection, Upland Streams chronicles moments of life lived close to nature in all its majesty. One River More, the final volume in the collection, begins as a traditional chronicle of trout fishing in Vermont and Montana. It quickly, however, becomes a rich exploration of some of the most essential human experiences: love of nature and love of family.

Moving Water Joan Skogan, 1998-09-16 Joan Skogan's marvelously poetic new novel draws upon her own years adrift on the sea as a wanderer and wonderer to tell the story of Rose Bachmann, a woman at mid-tide in a life awash in the debris of a mysterious marriage, in myths both long known and newly invented, and in the magical coastline of the North Pacific. Rose finds herself at rest in the rock form of a petroglyph entitled The One Who Fell From Heaven near Prince Rupert, B.C., and there she imagines in a brilliant song to her past and those she has loved, voyages both real and surreal, and the currents of an existence that have brought her to this place, this truth. It is a story winding its way toward the I, a story which opens to engulf the Skeena and the St. Lawrence, the Danube and the Tigris, swallowing the very self Rose has given over to propulsion and discovery. It is a quest which roams the swelling waves of personal history and may of the world's unfathomable waterways at once, as the title suggests, in motion yet serenely still.
