The Searcher, 2002 *The Other New York* Joseph S. Tiedemann, Eugene R. Fingerhut, 2012-02-01 The Other New York provides the first comprehensive look at New York State's rural areas during the American Revolution. This county by county survey of the regions outside of New York City describes the social and cultural conditions on the eve of the Revolution and details the events leading up to the conflict, the battles and campaigns fought within the state, the hardships civilians experienced while creating new local governments and supplying the war effort and postwar reconstruction efforts. It also chronicles the impact that the war had on the European Americans, Native Americans and African Americans. These groups endured years of strife yet went on to create New York State.

Issachar Bates Carol Medlicott, 2013 Issachar Bates 1758-1837 was a Revolutionary War veteran in rural upstate New York who at the age of forty-three abruptly turned from his family life to become a celibate Shaker. He immediately became instrumental in Shakerism's westward expansion and his personal charisma, persuasive preaching and musical talent helped stimulate the movement's growth. Bates drew western converts in abundance, profoundly changing the character of Shakerism by increasing its geographic reach. He also helped shape the Shakers' unique theology and hymnody through his many influential texts and songs.
