Fitness The Answer:

The Fitness Response Richard Kelley, 2011-08-01 A physician and expert in fitness based weight management shares professional secrets for a lifestyle transformation The Fitness Response addresses why a minority of individuals among us seems to consistently get it right while so many among us struggle with the problem of excess weight In fact a subset of our population thrives in pursuit of the ultimate body while most of us dabble often unsuccessfully in diet after diet to lose the same weight over and over again The Fitness Response teaches both men and women how to move beyond dieting as a temporary approach to weight loss and segue into a known lifestyle that promotes and delivers optimal results for the long run The Fitness Response is written for anyone who wishes to make the leap to the next level of what is truly possible and begin the process of physical transformation
