Fitzgerald Hemingway And The Twenties:

Fitzgerald, Hemingway, and the Twenties Ronald Berman, 2001 A noted scholar offers fresh ways of looking at two legendary American authors Both F Scott Fitzgerald and Ernest Hemingway came into their own in the 1920s and did some of their best writing during that decade In a series of interrelated essays Ronald Berman considers an array of novels and short stories by both authors within the context of the decade s popular culture philosophy and intellectual history As Berman shows the thought of Fitzgerald and Hemingway went considerably past the limits of such labels as the Jazz Age or the Lost Generation Both Fitzgerald and Hemingway were avid readers alive to the intellectual currents of their day especially the contradictions and clashes of ideas and ideologies Both writers for example were very much concerned with the problem of untenable belief and also with the need to believe In this light Berman offers fresh readings of such works as Fitzgerald s *The Great Gatsby* *Bernice Bobs Her Hair* and *The Diamond as Big as the Ritz* and Hemingway s *The Killers* *A Farewell to Arms* and *The Sun Also Rises* Berman invokes the thinking of a wide range of writers in his considerations of these texts including William James Alfred North Whitehead Walter Lippman and Edmund Wilson Berman s essays are driven and connected by a focused line of inquiry into Fitzgerald s and Hemingway s concerns with dogma both religious and secular with new and old ideas of selfhood and particularly in the case of Hemingway with the way we understand explain and transmit experience
