THE TIMES **The Flourishing Family** Dr. David Erickson,Amanda Erickson,2024-09-17 When it comes to Christian parenting we crave confidence wisdom and most of all peace We pray for peace when our little ones are tossed about by waves of emotions for connection and confidence when navigating stressful mornings and exhausting nights and for wisdom in knowing how best to discipline our kids As Christian parents we're desperate to get it right to raise our children to be strong courageous followers of Jesus and yet despite the overload of endless advice at our fingertips we often feel completely and utterly lost You can become the parent Christ has called you to be and change your home and family from the inside out In The Flourishing Family Dr David and Amanda Erickson offer a new parenting perspective one that cultivates peace gentleness and confidence Deeply rooted in Scripture and backed by modern neuroscience as well as insight into child development their book will equip you to rethink common assumptions about what the Bible says about parenting and align your parenting approach with the teachings of Jesus and your identity in Him cultivate the inner peace needed to lead and guide your family with Christ and His grace at the center critically assess various gentle parenting principles through a Gospel lens so that you can respond to your child with understanding and patience honoring the divine image and unique personality God created them to have and use compassionate discipline as discipleship to focus on the heart behind your

child's actions addressing the developmental or neurological roots of their behavior rather than merely correcting or punishing their actions or choices Your legacy is not defined by your parenting perfection but by your commitment to follow in the way of Jesus and to trust His Spirit to cultivate the seeds you're diligently planting throughout your children's lives Trust that He will meet you in these pages and that He will transform your hearts and home *Tumbleweeds Burning a Novel* Milt Ost, 2014-06-25 Heinrich and Anna Marie Oster are invited by the Czar to move to Russia Their excitement runs high when a son of their family is selected to serve in the Czar's elite body guard the Imperial Hussars and life is good Life next to the Royals is full of thrills and color but before long the corruption and greed in high places are exposed and soon bitter persecution of the family makes their days difficult Their children flee to America and accept the government's offer of free homestead acres on the great prairies of the heartland The free land however extracts a heavy price As they wrestle their sod house out of the stubborn buffalo grasses they discover that their new palace on the prairies is only three miles from the Native sons of the warriors who scalped George Armstrong Custer It leaves their days uneasy their nights uncertain At every turn Nature confronts them with immense battles from killing blizzards and sweeping fires to plagues of grasshoppers From years of death-dealing drought where nothing grows but tumbleweeds and biting flies to international conflicts that drastically change their lives Through it all they come together in faith and turn their little spot of earth into the breadbasket of the world
