Hoodoo Justice Magic Miss Aida,2021 Historically Hoodoo was the magic of the disenfranchised marginalized and vulnerable it was born from the need to obtain justice power and protection as these typically were not naturally forthcoming The earliest practitioners of Hoodoo were enslaved African Americans followed by their descendants and neighbors How does one obtain justice if the system is inherently skewed against you Because of this Hoodoo has developed a vast arsenal of justice and pay back spells This book contains a diverse collection of these spells as well as an exploration of their ethics Are you really justified and what happens if you are not

They Wanted Justice Preston Harper,2013-03-13 Set in Civil War Texas They Wanted Justice is an action adventure story spiced with love and hate Seriously wounded in the battle of Gettysburg Luc Post a devout Christian soldier in Gen Lees Army comes to Texas to rehabilitate a serious injury After being healed by a Comanche he gets caught up in a series of violent encounters when he joins Qunashano a Comanche leader and Joellen Meriwether a beautiful rancher in a quest for a Yankee spy who has murdered members of their families In the process they encounter a fascinating array of frontier Texans wanting some kind of justice

The Ghosts of Justice Ashok Kara,2001 It is not possible to read Heidegger's text without the image of his arm raised in the Nazi salute haunting it The image compels us to examine Heidegger's philosophy in terms of its susceptibility to Nazi ideology Heidegger's philosophy was inscribed at the end of the history of philosophy a time when Nazism was on the rise and on its way to the renewal of German destiny In paragraph six of Being and Time Heidegger outlined his agenda for the renewal of philosophy The renewal necessitated the destruction of the errant history of ontology in order to retrieve the pure primordial experiences The parallels between the forms of two agendas are coincidental However my work shows where they overlapped I explore the consequence of this overlap by soliciting the first text of philosophy The Anaximander Fragment that speaks about justice and injustice Justice is also at issue in the text of Jacques Derrida Derrida's primary resource is paragraph six of Heidegger's Being and Time a fact that caused some of his readers to assimilate him to Heidegger Derrida has tried to distance himself from Heidegger and in a late text he has offered us the prescriptive phrase Deconstruction is justice to guide our reading of his text The phrase invites us to examine Derrida's work in light of its saying This is what I try to do I show that a separation cannot be accomplished without a price because whether an author intends it or not justice is something ghostly and it keeps its own account Heidegger's arm and Derrida's hand caught in the trap of paragraph six tell another story different from the stories the authors tell The limbs tell the story about the ghosts of justice
