Porter,2022-07-07 All seven books in Brian L Porter's Family Of Rescue Dogs series now in one volume Sasha A Staffordshire Bull Terrier abandoned close to death at the age of 6 weeks old Sasha was rescued from a street gutter and had the good fortune to be adopted by author Brian L Porter and his family Despite suffering from a catalogue of injuries including two broken legs and skin allergies and being diagnosed as an epileptic at just two years old Sasha's story is one of triumph over adversity of love happiness and inspiration Her love of life and capacity for enjoying every day to the fullest is nothing short of miraculous and her story is told here by the person who shares every moment of her life on a daily basis Sheba From Hell to Happiness Rescue dog Sheba Sasha's best friend was starved beaten and used as bait for the training of fighting dogs and then thrown on a rubbish tip and left to die a barely living skeleton The author and his wife adopted this unfortunate waif and so began a long period of recuperation and training as they gradually helped Sheba back to full health and to live sociably and happily within their pack of rescue dogs A story of real triumph over

adversity full of emotion and a fair amount of humour too Sheba's is a real life tale of just what can be achieved in rehabilitating a dog having suffered a living hell from the brink of death to a life full of happiness Cassie's Tale Cassie was just over two years old when she joined Brian and Juliet's family of rescues having already had three previous owners in her short life The tiny little terrier soon wormed her way into the hearts of the family and her antics and oversized attitude quickly earned her the nicknames The Mad Ferret and The Wicked Witch of the West Cassie can best be described as a pocket dynamo or as the author puts it She is filled with boundless energy and despite being fourteen years old now she's like a Duracell bunny without an off switch Penny The Railway Pup Penny a tiny terrier was abandoned in a particularly cruel manner From being attacked and needing emergency surgery to days out at the coast chasing seagulls and stately homes Penny's life in Brian's pack of rescue dogs has never been anything but interesting and eventful Remembering Dexter After being thrown out from a moving car on a motorway and rescued from the dog pound by Brian Porter and his wife Dexter had a happy life in their family of rescue dogs On the 8th June 2019 Dexter a Labrador Staffy Crossbreed passed away after a year long fight against illness Part funny part serious and part tragic this is the story of Dexter's life Dylan The Flying Bedlington Whipped beaten and abused for the first year of his life Dylan was eventually left tied to the gates of a dog sanctuary with a note telling of his treatment The fates were smiling on the little Bedlington terrier however as the author and his family adopted him the very same day and Dylan began his life as part of the author's Family of Rescue Dogs From his appearance at a national dog show to chasing squirrels in the forest Dylan has led a wonderful happy life since being rescued Muffin Digby And Petal When Juliet Porter saw an advertisement for Puppies For Sale little did the author expect that instead of one puppy they would end up adopting 3 adorable little pups from the same litter This is the story of those three puppies who in nine years have remained inseparable to the extent the family refer to them as one dog with twelve legs literally doing everything together and bringing laughter and joy to everyone with their antics **Due or Die** Jenn
