**Fleeing Aerie** Roz Swartz, 2003-10      **In the Throes** Mathias B. Freese, 2024-04-10 In the Throes explores the awakening of intelligence and the coming into awareness of an evolutionary mishap on a forbidding apocalyptic planet The story follows eponymic Gruff the first linguistic metaphysical awakener of his species as he navigates identity mentation and ontology in relation to the Gruff's natural prey humankind Combining the writings of Freud and the spiritual truths of Krishnamurti author Mathias B Freese depicts the Gruff as an evolutionary dark creature disfigured maimed instinct driven and grotesque until he attains self awareness and transforms into a self of artistic expression and wisdom As the title suggests the reader identifies with self struggle as it surges toward awakening and is moved by the apotheosis that closes the book The nuanced theme each one of us is an artist if only we take our selves in hand and construct a life of artistic expression The closing chapters sing to us of Isak Dinesen's observation that an artist is never poor A metaphor of the evolutionary self In the Throes is a time processed journey into awareness our destiny as a species      **A Long and Restless Slumber** Jonathan Crocker, 2014-09-16 War in the Reverie rages on The Bear Clan and the Serpent Clan continue their violent struggle the conflict spilling over into the surrounding lands While a council is convened to appoint a new totem evil silently sweeps through the trees of the north the undead are rising heeding the calls of their dark masters In the south the Spider Clan lies in disarray A spider army marches north to the Aerie while the heir to the barony is in hiding the clan's leadership uncertain Sasha and her friends are fighting on all fronts trying desperately to protect the sanctity and enchantment of the magical world as well as the ones they love But are they spread too thin Will their efforts prove to be in vain      **Fleeing the Nazis, Surviving the Gulag, and Arriving in the Free World** Victor Zarnowitz, 2008-08-30 Victor Zarnowitz is a world famous economist Victor Zarnowitz is also a man who grew up in the Polish town of Oswiecim known in German as Auschwitz Zarnowitz and his brother fled the area as the Nazis advanced in September 1939 Moving eastward he landed right in the arms of the Soviets and was sent to a Siberian Gulag How did this brilliant young man who nearly died at the hands of the Soviets end up a renowned University of Chicago economist That's exactly what this inspiring lyrical memoir told in simple captivating prose is all about The recipient of many prizes and honors Zarnowitz is still at age eighty seven one of the six economists who decide officially that the U S is in a recession He is also a captivating writer and his memoir a thrilling page turner In September 1939 Victor and his brother walked the entire width of Poland with the blitzkrieg just behind them They ran right into oncoming Soviet troops Zarnowitz was trapped at the junction of the two most fearsome armies the world had ever seen He was literally standing in the center point of history The Soviets considered Polish refugees prisoners of war In 1940 they transported Zarnowitz and his brother thousands of miles north and put them to work in Stalin's oldest Gulag They earned their daily gruel and bread crusts by trying to meet impossible work quotas The last third of the book brings the story up to date telling in a non technical manner of Zarnowitz's life in America and his professional career It

includes his observations of other economists and their ideas his own contributions to business cycle theory and economic indicators and his thoughts on more than a half century of American history While memoirs of the Holocaust are plentiful the Jewish experience in Stalin's Gulags has been virtually forgotten Weaving politics and economics into the harrowing tale of his personal journey Zarnowitz's inspiring life story provides a priceless perspective on some of the most traumatic upheavals of the 20th century and on the resilience and power of the human spirit
