## **Justice That Heals A Biblical Vision For Victims And Offenders:**

**Justice That Heals** Arthur Paul Boers, 2008-02-01 How do we deal with crime It is inescapable Since 1960 crime in the U S has increased 500% while the population has grown by only 41% What is our responsibility to the victim and the offender What is the Christian response Explore the inadequacies of North American criminal justice systems and discover the alternative the Bible has to offer Listen to stories of those involved in the system and from those pursuing a more restorative justice Hear clearly God s words of hope challenge and counsel

**The Ethic of Traditional Communities and the Spirit of Healing Justice** Jarem Sawatsky, 2009-01-01 In this groundbreaking international comparative study on healing justice the author examines a number of traditional communities Sawatsky identifies the common patterns themes and imagination which these communities share These commonalities among those that practice healing justice are then examined for their implications for wider society

**Sexual Offending and Restoration** Mark Yantzi, 2009-09-01 Mark Yantzi provides new methods for dealing with the pervasive problem of sexual abuse He shows caring ways to confront and support those who have offended He also calls for understanding and compassion toward those victimized by sexual wrongdoing Yantzi s unique approach is illustrated through case examples and candid dialogue by a group of victims and those who have offended Readers hear authentic voices and share in the process toward healing The book honors the words of victims offenders their families and communities

**Restorative Community Justice** Gordon Bazemore, Mara Schiff, 2015-05-20 An anthology of original essays this book presents debates over practice theory and implementation of restorative justice Attention is focused on the movement s direction toward a more holistic community oriented approach to criminal justice intervention

*Beyond Retribution* Christopher D. Marshall, 2001 Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles But is this approach truly consistent with the teaching of Scripture To date very little has been done to test this claim *Beyond Retribution* fills a gap by plumbing the New Testament on the topics of crime justice and punishment Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to mainstream society He then surveys the extent to which the New Testament addresses criminal justice issues looking in particular at the concept of the justice of God in the teachings of Paul and Jesus He also examines the topic of punishment reviewing the debate in social thinking over the ethics and purpose of punishment including capital punishment and he advocates a new concept of restorative punishment The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders Publisher

**A Pacifist Way of Knowing** John Howard Yoder, 2010-06-01 In *A Pacifist Way of Knowing* John Howard Yoder s *Nonviolent Epistemology* editors Christian Early and Ted Grimsrud gather the scattered writings of Yoder on the theme of the relationship between gospel peace and human ways of knowing In them they find the beginnings of a pacifist theology of knowledge that rejects strategies of empire while at the same time avoids a self defeating

relativism      **Restorative Justice** Declan Roche,2017-11-30 The legitimacy and performance of the traditional criminal justice system is the subject of intense scrutiny as the world economic crisis continues to put pressure on governments to cut the costs of the criminal justice system This volume brings together the leading work on restorative justice to achieve two objectives to construct a comprehensive and up to date conceptual framework for restorative justice suitable even for newcomers and to challenge the barriers of restorative justice in the hope of taking its theory and practice a step further The selected articles start by answering some fundamental questions about restorative justice regarding its historical and philosophical origins and challenge the concept by bringing into the debate the human rights and equality discourses Also included is material based on empirical testing of restorative justice claims especially those impacting on reoffending rates victim satisfaction and reintegration The volume concludes with a critique of restorative justice as well as with analytical thinking that aims to push its barriers It is hoped that the investigations offered by this volume not only offer hope for a better system for abolitionists and reformists but also new and convincing evidence to persuade the sceptics in the debate over restorative justice      *Razing Hell* Sharon L. Baker,2010-01-01 Seventy percent of Americans believe in hell as do 92 percent of those who attend church every week In her candid and inviting style Baker explores and ultimately refutes many traditional views of hell      **Forget Them Not** Joanne M. Hemenway,2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative Forget Them Not provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection Forget Them Not introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment      **On Earth as in Heaven** Arthur Paul Boers,2008-02-01 Do we touch God and meet Jesus in a church or a soup kitchen In a monastery or on skid row In a Bible camp or a housing project In heaven or on earth Such distinctions are false says Arthur Paul Boers We can t experience God in heaven without loving the needy on earth Nor can we truly love the needy on earth if not empowered by God in heaven      [The Limits of Forgiveness](#) Maria Mayo,2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic

violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

**All Things Reconciled** Christopher D. Marshall, 2018-06-12 The modern restorative justice movement perhaps one of the most important social movements of our time was born in a Christian home to Christian parents specifically to Christian peace workers striving to put their faith into action in the public arena The first major book on the subject was written primarily for a church audience and drew deeply on biblical themes and values But as restorative justice has moved into the mainstream of criminological thought and policy the significance of its originating spiritual impulse has been minimized or denied and subsequent theological scholarship has done little to probe the relevance of restorative perspectives for doctrine and discipleship In this collection of essays Christopher D Marshall a biblical scholar and restorative practitioner who has devoted his career to exploring the relationship between the two fields considers how peacemaking Christians can honor the witness and authority of Scripture including its apparently violence endorsing strands as they strive to join in God s great work in Christ of reconciling to himself all things whether on earth or in heaven by making peace through the blood of his cross Col 1 20

Transformative Moments in Chaplaincy Donald Stoesz, Joan Palardy, 2024-04-16 The book celebrates Rev Dr Pierre and Judy Allard's fifty years of reconciliation ministry by weaving their life experiences within broader initiatives started within Canada and overseas Three quality moments of time referred to as kairotic events within the contemporary history of corrections and chaplaincy are identified The rise of prison visitation and ex-offender reintegration organizations across Canada in the 1960s and 70s represents the first quality moment of time Rev Dr Pierre Allard's collaboration with Correctional Service Canada Commissioner Ole Ingstrup in the early 1980s in developing a new Mission Statement for the Service represents a second kairotic moment Pierre and Judy Allard's establishment of Just Equipping in 2006 as a response to an international call to bring about reconciliation between offenders and victims in Rwanda and other countries in Africa represents a third quality moment of time The book analyses these three historical occasions and weaves them together with nine other Canadian chaplains' stories of prison ministry

*Lord, Teach Us to Pray* Arthur Paul Boers, 2008-04-01 The Lord's Prayer has nurtured Christians throughout the ages Yet today it is often well known but little understood frequently repeated but seldom contemplated much loved as Jesus's model prayer but attacked by some for naming God Father Martin Luther said To this day I am still nursing myself on the Lord's Prayer like a child and am still eating and drinking of it like an old man without getting bored with it The Lord's Prayer can still offer such nourishment

*For the Healing of the Nation* William Russell Pregeant, 2016-04-14 For the Healing of the Nation offers a serious look at the social and political climate in the United States from a biblical perspective emphasizing race and otherness economics and the environment and institutional violence war and capital punishment An autobiographical thread traces the journey of a white male coming of age in the mid-twentieth century Deep South as his evolving faith leads him to painful breaks with inherited values and standard views on controversial issues Critical not only of both major political parties but also of centrist compromises between Right and Left Russell Pregeant seeks a forward position which he terms ecocommunitarian based on biblical values His musings touch on both southern and American identities and on the nature of the biblical writings and the ways they should and should not be used in contemporary debates Central to the entire work are discussions of how idolatrous commitments to a culture's prevalent ideologies obscure the essential demands of biblical faith

Peace and Justice Shall

Embrace A. Companion, Timmons, 2001 This is a penetrating critique of our criminal justice and penal systems from the unique firsthand experiences of its priest prisoner author His conclusion is that they are sick broken rudderless systems that neither correct nor rehabilitate offenders nor help or heal victims A compelling case is made from practical biblical and humane arguments for moving from retributive punishment models of seeking justice to restorative rehabilitative ones Restorative justice actively involves victims offenders and the community in a joint process of working toward healing restitution rehabilitation and reconciliation Incarceration becomes only one option rather than the foregone conclusion Specific proposals are made for reforming the justice prison and parole systems Examples of working models are presented Evaluation tools and discussion guides are provided Christians will find rich meditative material and spiritual challenges as the author plumbs the scriptures and Catholic social justice teachings for personal moral answers and principled civic policies One chapter offers examples of what individuals parishes and dioceses can and are doing to promote restorative justice A cross reference is included to the November 2000 document on criminal justice by the U S Catholic bishops Topics covered include the relationship of poverty race mental illness and drug addiction to incarceration capital punishment the consequences of three strikes and minimum mandatory sentencing the effects of politics on policy inadequate legal representation for the poor
