Long term solutions Howell argues lie in the development of more effective programs better matched offender treatment programs and a more cost effective juvenile justice system Written with compassion yet methodologically sound this volume creates a comprehensive framework that will help communities incorporate best practices and utilize knowledge of risk and protective factors for serious and violent delinquency Author James C Howell combines prevention and graduated sanctions in this sensible strategy for dealing with serious violent and chronic juvenile offenders The Evolution of Juvenile Justice and Youth Violence in America is an outstanding resource and text for not only graduate students but also academics researchers practitioners policymakers professionals in the legal system and educators     *Juvenile Justice* ,2000
