Juvenile Justice: A Social, Historical, and Legal Perspective Preston Elrod, R. Scott Ryder, 2020-02-20 *Juvenile Justice A Social Historical and Legal Perspective* Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively *Reorganizing and Reauthorizing the Law Enforcement Assistance Administration* United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, 1979 **Children and Crime** Connie M. Tang, 2018-08-02 *Children and Crime* offers a multidisciplinary and research based approach to the study of child maltreatment and juvenile delinquency Connie M Tang first examines children as victims of maltreatment exploring how developmental trauma and societal factors influence children's behavior and psyche Topics covered include child neglect physical abuse sexual abuse and psychological abuse Later chapters address how children come into conflict with the law and discuss gang membership and substance abuse Engaging real life case studies illustrate the intersectionality of race gender and crime as well as the role of Child Protective Services and juvenile courts In particular Tang examines how abuse and neglect can later play a role in a child's delinquency *Children and Crime* provides an innovative and accessible text for psychology social work and criminal justice courses in child abuse neglect and delinquency **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 *Parenting* George W. Holden, 2019-12-19 George Holden embraces the idea that parenting is a dynamic process children affect parents just as much as parents affect children A multi level ecological approach to parenting and childrearing allows a full range of parenting styles covering topics from co parenting evolutionary views human behavioral genetics to religious influences and addressing challenges to be encountered across parenting courses such as family violence behavior problems and the role of pathology in the family Completely updated in a new third edition *Parenting A Dynamic Process* presents research in a way that is accessible and interesting but also accurate current and intellectually rich Although written from a psychological perspective views and applications from other disciplines including sociology criminology anthropology and pediatrics are also discussed where appropriate The text

discusses contemporary issues such as fertility problems daycare marital conflict whether or not to use physical punishment divorce remarriage and step parents gay parents the effects of poverty risks and benefits of media use among children and family violence Additionally Holden includes selected studies from developing and non western countries as well as recent statistics on such topics as US world birthrate birth problems adolescent pregnancy child injury divorce and remarriage child maltreatment and certain social policy issues

Putting Islam to Work Gregory Starrett, 1998-03-26 The development of mass education and the mass media have transformed the Islamic tradition in contemporary Egypt and the wider Muslim world In *Putting Islam to Work* Gregory Starrett focuses on the historical interplay of power and public culture showing how these new forms of communication and a growing state interest in religious instruction have changed the way the Islamic tradition is reproduced During the twentieth century new styles of religious education based not on the recitation of sacred texts but on moral indoctrination have been harnessed for use in economic political and social development programs More recently they have become part of the Egyptian government's strategy for combating Islamist political opposition But in the course of this struggle the western style educational techniques that were adopted to generate political stability have instead resulted in a rapid Islamization of public space the undermining of traditional religious authority structures and a crisis of political legitimacy Using historical textual and ethnographic evidence Gregory Starrett demonstrates that today's Islamic resurgence is rooted in new ways of thinking about Islam that are based in the market the media and the school

Juvenile Justice Francine Sherman, Francine Jacobs, 2011-10-04 The lessons in this book remind us that we can and that we must do better for the sake of our children their futures and the sake of our nation This volume is a call to action and I encourage everyone who reads it to take steps to ensure that all America's children are given an equal chance to succeed We must all work together to replace the cradle to prison pipeline with a pipeline to responsible productive adulthood From the Foreword by Marian Wright Edelman JD President and founder Children's Defense Fund Washington DC *Juvenile Justice Advancing Research Policy and Practice* appears at a critical time when promising juvenile justice reforms are underway in so many jurisdictions across the United States Sherman and Jacobs and their impressive array of expert authors fill a significant gap in the literature making the current body of juvenile justice research and experience accessible to policy makers researchers and funders and doing so through a practical and positive lens Patrick McCarthy President and Chief Executive Officer Annie E Casey Foundation Baltimore MD Most people have narrow views of what it means to be a delinquent youth In *Juvenile Justice Advancing Research Policy and Practice* Sherman and Jacobs have diligently collected essays from the top experts in the juvenile justice field who tell an empirically based and powerful narrative of who is really

in the delinquency system As this book makes clear until we ask and answer the right questions we will remain unable to help the youth most in need Alexander Busansky President The National Council on Crime and Delinquency Oakland CA A comprehensive reference presenting a rehabilitative youth and community centered vision of juvenile justice Juvenile Justice Advancing Research Policy and Practice brings together experts in juvenile justice child development and public health to explore the intersections between juvenile justice and needed development of programs and policies that look out for the health and well being of the youth who enter this system This timely book provides a usable framework for imagining juvenile justice systems that emphasize the welfare of juveniles achieved primarily through connections within their communities A must read for professionals working in juvenile courts and within juvenile justice agencies Juvenile Justice Advancing Research Policy and Practice reflects both the considerable advances and the challenges currently evident in the juvenile justice system with an emphasis on the development and implementation of policies that can succeed in building a new generation of educated young people able to embrace their potential and build successful futures Books in Print ,1982

Juvenile Justice Sourcebook Wesley T Church, II,David Springer,Albert R Roberts,2014-03-28 Several million reported and unreported delinquent acts take place each year In fact according to the U S Department of Justice and the U S Bureau of Justice Statistics juvenile delinquency acting out and oppositional behavior illegal drugs guns and youth violence are pervasive throughout American society Juvenile Justice Sourcebook is the first comprehensive volume devoted exclusively to the biopsychosocial assessment police and juvenile court processing and institutional and community based treatment and rehabilitation of juvenile offenders The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues dilemmas and controversies while providing futuristic visions for the juvenile justice field Each chapter authored by preeminent expert practitioners and researchers explores topics ranging from innovative counseling and multisystemic programs to restorative justice to rehabilitation programs such as aggression replacement training wilderness programs family treatment substance abuse treatment restitution and aftercare This volume grounded in history and exhaustive research presents the latest evidence based policies programs and innovative treatment alternatives Examining the entire juvenile justice system including juvenile law policies practices and research the Juvenile Justice Sourcebook will be invaluable to all juvenile justice practitioners policy analysts researchers and students The Oxford Handbook of White-Collar Crime Shanna R. Van Slyke,Michael L. Benson,Francis T. Cullen,2016-03-01 Although white collar crime has caused a substantial amount of damage on both the individual and societal levels it often ranks below street crime as a matter of public concern Thus white collar crime remains an ambiguous and even controversial topic among academics with a relative dearth of scholarly focus on the issue The Oxford Handbook of White Collar Crime offers a comprehensive treatment of the most up to date theories and research regarding white collar crime Contributors tackle a vast range of topics including the impact of white collar crime the contexts in which white collar crime occurs current crime policies and

debates and examinations of the criminals themselves The volume concludes with a set of essays that discuss potential responses for controlling white collar crime as well as promising new avenues for future research Uniting conceptual theories empirical research and ethnographic data the Handbook provides the first unified analytic framework on white collar crime Given the astronomical aggregate losses to victims building a more nuanced understanding of the dynamics of white collar crime is a topic of immediate social concern The definitive resource on white collar crime this Handbook will be a valuable resource for developing both intellectual and policy related solutions **Library Book Catalog** United States. Law Enforcement Assistance Administration,1976 *Sex Crimes in the Fifties* Lisa Featherstone,Amanda Kaladelfos,2016-07-18 The Australian Royal Commission into Institutional Responses to Child Sexual Abuse 2013 2017 has given national consciousness to the problematic treatment of sexual offences in Australia s past Yet there has been little historical research into the policing prosecution and punishment of those crimes This book examines Australia s treatment of sexual crimes in the 1950s a decade well known for its political and social conservatism its prudish views on morality and its prescriptive gender roles for men and women Fewer would know that this same decade saw soaring arrests mounting criminal prosecutions and intensifying public debates about how to deal with sexual offenders Or that sexual offences on children attracted the most concentrated state attention and public concern Sex Crimes in the Fifties uncovers this new history by drawing on transcripts of hundreds of criminal proceedings and extensive research in criminal justice archives We examine the criminal trial itself exploring how prosecutors defence counsel witnesses juries and judges understood sexual crimes We consider the experience of women testifying in rape trials the prosecution of sexual crimes against children the court s treatment of recent immigrants the prosecution and punishment of homosexual men the influence of psychiatric evidence and the increasing public debates over the sex offender We show that the 1950s was indeed foundational to many of our contemporary beliefs about sexual crimes This book makes a major contribution to our historical and socio legal knowledge about sexual offences and criminal prosecution It will be of interest to historians criminologists sociologists and legal scholars as well as general readers interested in the treatment of these crimes in our past **Razing Kids** Jeffrey C. Sanders,2020-12-10 Children are the future Or so we like to tell ourselves In the wake of the Second World War Americans took this notion to heart Confronted by both unprecedented risks and unprecedented opportunities they elevated and perhaps exaggerated the significance of children for the survival of the human race Razing Kids analyzes the relationship between the postwar demographic explosion and the birth of postwar ecology In the American West especially workers policymakers and reformers interwove hopes for youth environment and the future They linked their anxieties over children to their fears of environmental risk as they debated the architecture of wartime playgrounds planned housing developments and the impact of radioactive particles released from distant hinterlands They obsessed over how riot riddled cities War on Poverty era rural work camps and pesticide laden agricultural valleys would affect children Nervous about the world they

were making their hopes and fears reshaped postwar debates about what constituted the social and environmental good
