Kaethe Kollwitz:

The Diary and Letters of Kaethe Kollwitz Käthe Kollwitz, 1988 One of the great German Expressionist artists Kaethe Kollwitz wrote little of herself But her diary kept from 1900 to her death in 1945 and her brief essays and letters express as well as explain much of the spirit wisdom and internal struggle which was eventually transmuted into her art [Prints and Drawings of Käthe Kollwitz](#) K[ä]the Kollwitz, Carl Zigrosser, 1969-06-01 A catalog of the German artist's work is critically introduced in an essay which illuminates her social consciousness **Käthe Kollwitz** Elizabeth Prelinger, Käthe Kollwitz, Alessandra Comini, 1992 The German printmaker draftsman and sculptor Kathe Kollwitz's images of mothers and children and of protest against social injustice have long been admired by both critics and the public Kollwitz adhered to a figurative style in the era of abstraction and she depicted socially engaged subject matter when it was unfashionable Critics have often focused on those issues and have rarely studied the ways in which the artist manipulated technique and resolved formal problems This illustrated book redresses this imbalance portraying Kollwitz as an innovative and virtuosic artist rather than as merely a chronicler of particular themes The book consists of three essays on Kollwitz Elizabeth Prelinger provides a reassessment of Kollwitz as an artist Alessandra Comini presents a discussion of Kollwitz's life in Berlin during the tumultuous period that spanned two world wars and Hildegard Bachert surveys the reception of Kollwitz in Germany and America as manifested in collections of her works The volume which includes a selection examples of Kollwitz's work juxtaposes preparatory drawings with finished art illustrating the arduous experimental process by which she attained her results Themes important to Kollwitz such as self portraits political and social activism as illustrated in the cycles The Weavers Rebellion and The Peasants War love and death nudes workers and war and revolution are explored in all media

[Käthe Kollwitz](#) Louis Marchesano, 2020-01-07 This collection explores Kollwitz's most creative years examining her sequences of images with a focus on the tension between making and meaning German printmaker K[ä]the Kollwitz 1867-1945 is known for her unapologetic social and political imagery her representations of grief suffering and struggle and her equivocal ideas about artistic and political labels This volume explores her most creative years roughly the late 1890s to the mid 1920s highlighting the tension between making and meaning throughout her work Correlating Kollwitz's obsessive printmaking experiments with the evolution of her images it assesses the unusually rich progressions of preparatory drawings proofs and rejected images behind Kollwitz's compositions of struggling workers rebellious peasants and grieving mothers This selected catalogue of the Dr Richard A Simms collection at the Getty Research Institute provides a bird's eye view of Kollwitz's sequences of images as well as the interrelationships among prints produced over multiple years The meanings and sentiments emerging from Kollwitz's images are not as is often implied unmediated expressions of her politics and emotions Rather Kollwitz transformed images with deliberate technical and formal experiments seemingly endless adjustments wholesale rejections and strategic regroupings of figures and forms all of which demonstrate that her obsessive

dedication to making art was never a straightforward means to political or emotional ends Kaethe Kollwitz ,1965
