The Model of Love Vincent Brümmer, 1993-09-16 Religious believers understand the meaning of their lives and of the world in terms of the way these are related to God The conceptual models whereby this relationship is described therefore play a key

role in the conceptual designs which theologians produce to express the faith of the community of believers Vincent Brummer examines the implications of using the model of love in this context and looks at a number of the most significant views of the nature of love exclusive attention Ortega y Gasset ecstatic union nuptial mysticism passionate suffering courtly love need love Plato Augustine and gift love Nygren All these views are shown to interpret love as an attitude rather than as a relation between persons In the final chapters a relational concept of love is developed and it is shown how all the various attitudes discussed in the previous chapters have a role to play Finally the implications are addressed of using the model of love as a key model in theology

The Cosmic Pilgrim Margaret MacIntyre, 2010-03-01 The Cosmic Pilgrim is an introduction to the world of eco theology Based on the vision of Pierre Teilhard de Chardin it describes the nature of reality in our Cosmos that is continually unfolding within our expanding consciousness and the journey the pilgrimage of the universe through space and time toward its consummate destiny within the fullness of God This radical evolutionary perspective is part of the new story of science and religion Mathematical cosmologist and visionary Brian Swimme is the chosen guide to this new cosmology and his insights form the continuing thread of the book His mentor Thomas Berry is well represented here as are other great thinkers from the realms of science and theology Jurgen Moltmann Alfred North Whitehead C S Lewis John Polkinghorne and John Haught The Cosmic Pilgrim presents a personal easy to grasp map of the current interface between ecology religion and science It aims to develop a spirituality that is grounded in the present struggle of moving beyond our Earth damaging industrial mindset toward a higher vision of vibrant planetary community At the same time it seeks out the wider horizon of ultimate meaning and ponders the mystery of the far future and our cosmic destiny Although the book reflects the author's Christian background it is nonsectarian in approach and could be enjoyed by any seeker interested in developing a green spirituality
