reflective and intensely practical This book is about weaving human artistry and improvisation with appropriate methods and technologies in order to pool collective intelligence and wisdom under pressure Simon Buckingham Shum Knowledge Media Institute The Open University UK This is a terrific piece of work important insightful and very entertaining Culmsee and Awati have produced a refreshing take on the problems that plague organisations If you re trying to deal with wicked problems in your organisation then drop everything and read this book Tim Van Gelder Principal Consultant Austhink Consulting

Dakshayni Dr. Aruna Mukim,2022-04-19 In this novel have tried to give a blend of mythology and the perineal values and emotions of the human beings The characters here have been chosen from the pauranik literature and yet feelings and reactions they express are germane to what we find in all human beings At the thematic level the central point of the novel presents the love between shiv and sati It is related to the protection of the divinity and spirituality in the universe It suggests the union between two forces Shiv and Shakti The essential elements in a cosmic planning If shiv is a great lover then Sati too is not wanting in longing for his love However as it is sati s father great Prajapathi Daksh the son of Brahma keeps an umbrage against shiv He abhors shiv and Is openly against the matrimonial alliance between his daughter sati and shiv From the very beginning sati knows that shiv is her eternal spouse But Prajapathi Daksh is bent upon destroying this relationship However by quirk of fate sati is married to shiv Not withstanding all resistance Daksh is compelled to give his daughter away to the person he dislikes most Shiv Deeply hurt Daksh is now looking for a chance to insult his son in law when he arranges a yagya and doesn t invite them Sati burns her out there in yog Agni have presented this so repeated story from a different angle The first person narration here has been

used for the expansion of philosophy and thought that result in giving a contemporary canvas have visualised myself as Sati for exploring the in depth feelings and emotions of a woman The use of the montage technique has allowed me to pick up some stories from countless stories of shiv and sati and put them into an imaginative an unputdownable literary piece
