Kaiser Warlord Of The Second Reich:

The Kaiser Alan Warwick Palmer,1997 *The Entourage of Kaiser Wilhelm II, 1888-1918* Isabel V. Hull,2004-07-08 This volume analyzes the entourage of the last German Kaiser to explain the peculiar decisions taken by Germany's leaders from 1888 to 1918 **The Kaiser's Warlords** Ronald Pawly,2012-04-20 The turn of the 20th century saw Imperial Germany as essentially a militarist state Its growing industrial resources and wealth were harnessed to the task of increasing German military power at a time of aggressive expansionist diplomacy in competition with Britain and France After her victories over Austria in the 1860s and France in 1870 Germany's General Staff enjoyed tremendous professional prestige throughout Europe and was the model for all aspects of command and control This richly illustrated volume discusses the Imperial German army essentially that of Prussia Bavaria and Saxony with smaller contingents from the lesser states and its generals the men who planned initiated and to a large extent controlled the course of World War I **Kaiser Wilhelm II New Interpretations** John C. G. Röhl,Nicolaus Sombart,2005-09-15 As assessment of the Kaiser's character and its implications on Imperial German history **The Leader** Charles B. Strozier,Daniel Offer,Oligier Abdyli,2011-05-24 Behind every leader is an instructive life story It often promotes a public image that inspires others to live by it And sometimes even to live or to die for it As leadership qualities and image issues gain significance in the public discourse the psychological study of leadership is a critical factor in any discussion With its trenchant insights into leaders past and present *The Leader Psychological Essays* Second Edition updates a pioneering text in this field and provides a solid basis for ongoing dialogue on this important subject Within the context of the ever evolving disciplines of psychoanalysis and psychodynamics this thought provoking volume examines the lives of several prominent leaders from ancient Greece through the start of the 21st century The authors explore how these leaders imposed their individual missions and mystiques on others thereby fulfilling and sometimes creating distinct needs in their followers The volume brings into vivid focus issues with the potential for devastating consequences on the global stage Coverage includes Biblical times ancient Greeks and the seeds of leadership Lincoln during the 1850s leading a dividing nation Thomas A Kohut on Kaiser Wilhelm II and the German national character George W Bush atonement redemption narratives and the American Dream Bin Laden man and myth A study of paranoid leadership and its implications for future politics and policy This must have Second Edition is indispensable reading for researchers professors and graduate students across many disciplines including political psychology psychoanalysis history and political science psychiatry anthropology and personality and social psychology It is important reading for anyone with an interest in the life stories of leaders past and present and how they affect our world even long after they are gone

Wilhelm II and the Germans Thomas A. Kohut,1991-08-01 This book explores the personification inherent in the notion of Wilhelmian Germany by investigating the psychological dimension of Wilhelm II's leadership of the Germans Despite his historical reputation many Germans welcomed the Kaiser's leadership The years between 1890 and 1914 were known as the

Wilhelmian era in Germany and even critics of Wilhelm II thought it somehow fitting that he should be the German emperor. The author argues that Wilhelm II's personal needs and the needs of Germans in an age of intense nationalism made him the symbol of the nation. All the Kaiser's Men Ian Passingham, 2011-10-21. Convinced that both God and the Kaiser were on their side, the officers and men of the German Army went to war in 1914 confident that they were destined for a swift and crushing victory in the West. The vaunted Schlieffen Plan on which the anticipated German victory was based expected triumph in the West to be followed by an equally decisive success on the Eastern Front. It was not to be. From the winter of 1914 until the early months of 1918, the struggle on the Western Front was characterised by trench warfare. But our perception of the conflict takes little or no account of the realities of life across the wire in the German trenches. This book redresses that imbalance and reminds us how similar these young German men were to our own Tommies. Drawing from diaries and letters, Ian Passingham charts the hopes and despair of the German soldiers, filling an important gap in the history of the Western Front. *The Longman Companion to European Nationalism 1789-1920* Raymond Pearson, 2014-09-25. A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War, when the nationalist issues and problems that dominate the political landscape of our own time were already fully established. Covering an enormous range of peoples from the Icelanders to the Gypsies, from Brittany to Wallachia, the book presents a wealth of historical geopolitical information unavailable elsewhere. Essential as a reference work, it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European context. For historians, political scientists, departments of European studies and general readers. The End of the German Monarchy John Van der Kiste, 2017-11-07. Modernist Fiction R.W. Stevenson, 2014-09-11. In the revised edition of this popular text, Randall Stevenson has expanded, re-emphasised and amended his work to make it even more relevant to today's student studying the Modernist period in literature. The book covers a wide range of modernist novelists and novels and also provides an invaluable guide to key developments in the genre. Stevenson has developed his text by adding a discussion of Conrad's *Heart of Darkness*, which is now taught more regularly than *Lord Jim*. In addition, he takes a fresh look at the politics of the Modernists in conjunction with the politics of their texts, pointing out the drawbacks of politically progressive readings of many modernist novels. Finally, in the section on gender, Stevenson includes discussions of such significant figures as Djuna Barnes, HD, Katherine Mansfield and Rebecca West, as well as expanding the reference to Gertrude Stein throughout. The revisions in this updated text serve to make the author's arguments sharper and allow the text to remain central to the discussion of modernism, modernity and the novel. Island Fortress Norman Longmate, 2011-09-30. The British Isles, it is often believed, have not been invaded for nearly a thousand years. In fact, as Norman Longmate reveals in this highly entertaining book, the successor to his acclaimed *Defending the Island*, foreign soldiers have landed on British soil on many occasions. In this definitive study of a long neglected subject, Norman Longmate makes constant use of original sources.

including contemporary eyewitness accounts These are woven into an enthralling narrative packed with fact about weapons ships armies and fortresses spiced with anecdote and ranging over international and political as well as military and naval history The result is above all an exciting story which shows how against all the odds the British people managed to retain their freedom from the days of James I to those of George VI

The First World War Martin Gilbert, 2018-09-01 A stunning achievement of research and storytelling that weaves together the major fronts of WWI into a single sweeping narrative Publishers Weekly starred review It was to be the war to end all wars and it began at 11 15 on the morning of June 28 1914 in an outpost of the Austro Hungarian Empire called Sarajevo It would officially end nearly five years later Unofficially however it has never ended Many of the horrors we live with today are rooted in the First World War The Great War left millions of civilians and soldiers maimed or dead It also saw the creation of new technologies of destruction tanks planes and submarines machine guns and field artillery poison gas and chemical warfare It introduced U boat packs and strategic bombing unrestricted war on civilians and mistreatment of prisoners But the war changed our world in far more fundamental ways than these In its wake empires toppled monarchies fell and whole populations lost their national identities As political systems and geographic boundaries were realigned the social order shifted seismically Manners and cultural norms literature and the arts education and class distinctions all underwent a vast sea change As historian Martin Gilbert demonstrates in this majestic opus of historical synthesis the twentieth century can be said to have been born on that fateful morning in June of 1914 Publishers Weekly starred review One of the first books that anyone should read to try to understand this war and this century The New York Times Book Review

Winston Churchill, Myth and Reality Richard M. Langworth, 2017-03-29 Winston Churchill indispensable when liberty was in peril died in 1965 Yet he is still accused of numerous sins from alcoholism and racism to misogyny and warmongering On the Internet he simmers in a stew of imagined misdeeds using poison gas firebombing Dresden causing the Bengal famine and so on Drawing on the author's fifty years of research and writing on Churchill this book uncovers scores of myths surrounding him the popular and the obscure to reveal what he really said and did about many issues Churchill had two personas one that thought deeply about the nature of humanity and one that helped solve seemingly intractable problems In his many decades in public life he made mistakes but his faults were well eclipsed by his virtues

German Diplomatic Relations 1871-1945 William Young, 2006 Examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945

Abbreviations Dictionary Dean A. Stahl, Karen Landen, 2018-10-08 Published in 2001 Abbreviations nicknames jargon and other short forms save time space and effort provided they are understood Thousands of new and potentially confusing terms become part of the international vocabulary each year while our communications are relayed to one another with increasing speed PDAs link to PCs The Net has grown into data central shopping mall and grocery store all rolled into one E mail is faster than snail mail cell phones are

faster yet and it is all done 24 7 Longtime and widespread use of certain abbreviations such as R S V P has made them better understood standing alone than spelled out Certainly we are more comfortable saying DNA than deoxyribonucleic acid but how many people today really remember what the initials stand for The Abbreviations Dictionary Tenth Edition gives you this and other information from Airlines of the World to the Zodiacal Signs *The Wireless in the Corner* Alan

Palmer,2017-04-11 Nothing in my childhood stands so sharply etched in memory as this transition from peace to war with its strange mixture of drama pathos anticlimax and near farce Almost certainly at no other time did we as a family find ourselves so dependent on the wireless Based on diary entries family letters photography albums and newspaper cuttings *The Wireless in the Corner* is the personal account of a boy brought up in London s suburbia during the second quarter of the 20th century the years English historian Asa Briggs called the Golden Age of Broadcasting Drawing on his sharp visual and aural memory author Alan Palmer recounts his early life as the only child of elderly parents living at Gants Hill in unfashionable Ilford After a trip to Belgium aged six Alan became gripped by the events in Europe and observing international affairs became as much a hobby as collecting stamps Listening to the wireless every evening Alan s childhood is as much a personalised political social and military history as it is reminiscence *The Wireless in the Corner* is written with the intention of recapturing the strain of the Blitz and later of flying bombs and rockets and the relieving moments of peace and contentment that were held so dear to the author The book carefully distinguishes between what was known then and what readers know now so as not to obscure events with thoughts based on present assumptions Inspired by A J P Taylor and similar to the work of Philip Ziegler and A L Rowse *The Wireless in the Corner* will appeal to readers interested in military history and autobiographies It will also appeal to those interested in life during the war **Tennessee's Experience during the First World War**

Michael E. Birdwell,2024-02-02 On the day that Archduke Franz Ferdinand heir to the Austrian throne was assassinated Tennesseans worried about the weather Carole Bucy writes Indeed the war that began in Europe in 1914 was unimaginably remote from Tennessee until it wasn t Drawing on a depth of research into a wide array of topics this vanguard collection of essays aims to conceptualize World War I through the lens of Tennessee The book begins by situating life in Tennessee within the greater context of the war in Europe recounting America s growing involvement in the Great War As the volume unfolds editor Michael E Birdwell and the contributors weave together soldier narratives politics and agribusiness African American history and present day recollections to paint a picture of Tennessee s Great War experience that is both informative and gripping An essential addition to the broader historiography of the American experience during World War I this collection of essays presents Tennessee stories that are close to home in more than just geography and lineage By relating international conflict through the eyes of Tennessee s own editor Michael E Birdwell and the contributing authors provide new opportunities for academics and general readers alike to engage with the Great War from a unique and until now untold perspective United States Army Combat Forces Journal ,1978 On the Trail to Wittgenstein's Hut Ivar

Oxaal,2017-09-08 One of the most influential philosophers of the twentieth century Ludwig Wittgenstein and the roots of his monumental Tractatus are explored in this imaginative work Oxaal picks up on themes developed in an earlier work of his on Jews Anti Semitism and Culture in Vienna adding to it special issues concerning Wittgenstein s experiences in Norway in 1913 14 where he worked on ideas that were completed during the war Oxaal situates the great philosopher in time place and attitude showing how his personal background came to bear on the writing of the Tractatus Wittgenstein has often been criticized for traces of solipsism and even mysticism and Oxaal also examines these issues in a volume that integrates ethnography nationality and cultural studies Oxaal sheds new light on the theme of Wittgenstein s Jewishness and develops a new appreciation of the Wittgenstein family and Wittgenstein s better known years in Vienna The author is unsparing in his observations about racism and pessimism in Berlin and Great Britain during the period in which Wittgenstein worked and studied at Cambridge The writing of the Tractatus spanned the First World War In the period immediately after its completion Wittgenstein found himself in The Hague where he was in discussions and disputes with Bertrand Russell Oxaal covers these problems sensitively and with an appreciation of ambiguities in the life of a great philosopher and the confusions caused by a post war change in fortunes personal and familial This work of an eminent social scientist and historian may not be the final statement on Wittgenstein but it most certainly must be considered in any serious assessments of an iconic figure of the twentieth century The Story of Britain: From the Romans to the Present: A Narrative History

Rebecca Fraser,2006-11-17 Chronicles the history of Britain from Roman times to the present day
