Kamikaze Gods And Suicide Mules:

Kamikaze Gods and Suicide Mules Reno Four,2003 *Drivetime* Anthony Ziegler,2003-11 It s the light in our bedroom that answers the question It s not whether she s awake that matters really It s whether the light is on If the light is off she chose to turn it off If it s on she intended to see me That s all that I m concerned with When I pull in our driveway and the light is on I know She s folding clothes reading her book taking a shower brushing her hair into pony tails or has fallen asleep waiting I know she intended to wait up The knowing is all that matters Change is good or so they say They being everyone but me that is Everyone who isn t going through a change or has been through one in the past Not those of us who are facing the uncertainty of change in the present None of us would agree The fear of what could happen when the road turns keeps us set on our path We are familiar with our surroundings and there is little reason to venture very far away from what we know I have no choice in the matter My life is changing and I m going along for the ride **Cars and People;**

Phoneskill Anthony Ziegler,2007-03-01 The phone call begins before we touch a phone It begins before the prospect lands on a vehicle Before we write up a prospect and before the prospect leaves At the point when the prospect first eyeballs a vehicle on our lot finds his strength to pull off the roadway builds up his courage to approach a window sticker this is when we start our phone call It begins within our introduction We plant seeds before we sow them It is during the handshake that the prospect s walls are strongest They come up to us or we approach them and they have their preconceived thoughts of what we are about to do It is this time when we need to begin to plan where we will be at the end of this deal Hopefully we plan to become a friend We want to know our new friend and sell him every car he will ever buy We want him to rely on us for his automotive needs There is no point in selling him only one car Our relationship will begin with us giving ground to get ground **El Cerrito** Anthony Ziegler,2010-04-30 Sometimes we don t look and we find things We are busy being ourselves We are enjoying the breath we breathe with the words we hear and share Everyone around us is a part of us We smile and talk to strangers as if they are friends we ve known since birth or before The moment is complete and there is no other reason to look for anything else There are no wants to fulfill Our needs are met We hold on tightly to what we have afraid it may slip out of our hands if we do not Eventually our hands become comfortably numb We no longer can feel what we are holding and often forget what it is we are holding or why we are holding so tightly to begin with We open our cupped hands to look at what we have and they are empty We had let whatever it was we thought we wanted to hold so tightly and keep for ourselves slip away It fell on the ground somewhere while we were busy holding it It is not until what we want is lost that we may realize it s what we need **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **CMJ New Music**
