1001 Texas Place Names Fred Tarpley, 2010-07-05. From Notrees to Pine Island, from Scotland to Moscow, from Dickens to Tennyson, from Spur to Lariat, from Buck Naked to Bald Prairie, Texans are unsurpassed for the imaginative names they give their towns and cities. Fred Tarpley has chosen 1001 of the most unusual and interesting of the 75,000 place names that dot the Texas map. The names of Texas communities and places can be traced to a number of basic sources including people, landscapes, the Bible, literature, and mythology, misunderstandings and errors, backward spellings and blends, and anecdotes and events. Each entry in 1001 Texas Place Names gives the official spelling of the name, phonetic pronunciation where necessary, dates of post office operation, and a short narrative about the origin of the name and the history of the place. Each of Texas's 254 counties is represented by at least two entries.

Arizona Place Names Will Croft Barnes, 2016-10-01. Will Croft Barnes, 1858-1937, first came to Arizona as a cavalryman and went on to become a rancher, state legislator, and conservationist. From 1905 to 1935, his travels throughout the state, largely on horseback, enabled him to gather the anecdotes and geographical information that came to constitute *Arizona Place Names*. For this first toponymic encyclopedia of Arizona, Barnes compiled information from published histories, federal and state government documents, and reminiscences of old timers, Indians, Mexicans, cowboys, sheep herders, historians, and everybody who had a story to tell as to the origin and meaning of Arizona names. The result is a book chock full of oddments, humor, and now forgotten lore which belongs on the night table as well as in the glove compartment. Barnes' original *Arizona Place Names* has become a booklover's favorite and is much in demand. The University of Arizona Press is pleased to reissue this classic of Arizoniana, which remains as useful and timeless as it was more than half a century ago.
