discover they're both undercover to bust a notorious organized crime group. But amid a glamorous South Beach nightclub opening, their key informant is found dead, leaving Jacob and Jasmine the dangerous job of infiltrating the ring. With desire igniting between them, can they set aside their distrust and work together to bring down the brutal mobsters?

Being together again stirs up old passions, but Colleen can't decide if she can trust him or her own heart. *Treadwell Gold* Sheila Kelly, 2011-02-15

A century ago Treadwell, Alaska, was a featured stop on steamship cruises, a rich up-to-date town that was the most prominent and proud in all Alaska. Its wealth, however, was founded on the remarkably productive gold mines on Douglas Island, and when those caves in and flooded in the early decades of the twentieth century, Treadwell sank into relative obscurity. *Treadwell Gold* presents first-person accounts from the sons and daughters of the miners, machinists, hoist operators, and superintendents who together dug and blasted the gold that made Treadwell rich. Alongside these stories are vintage photos that capture both the industrial vigor of the mines and the daily lives that made up Treadwell society. The book will fascinate anyone interested in Alaskan history or the romance of gold mining's past. **False Flag** John Altman, 2017-05-16

In *False Flag*, Israeli-born Dalia Artzi, a tactical genius and specialist at Princeton in the study of maneuver warfare, uncovers a fiendish plot by a small group of Israeli fanatics to commit a horrific crime against the United States government and pin the blame on Iran. At first Dalia, a pacifist, is hesitant to get involved. But strong in her Jewish faith, she believes that the goal of her religion is not to crush one's enemies but to practice *tikkun olam* to repair the world. Soon Dalia has little choice but to act quickly and do what she must to prevent the unspeakable. Meanwhile, Jana, a beautiful but deadly Israeli operative taking orders from the conspiring fanatics, is determined to deftly fulfill the deadly mission entrusted to her. Once the plot has been carried out, Jana and the commanders of her mission believe that Israel's enemies will meet with total destruction when the world's most powerful nation retaliates. Jana is firm in her conviction that she is on the side of right and believes the ends will justify the means, however violent. Centered on a fascinating and original Israeli heroine and antiheroine, *False Flag* probes some of the most important political and moral conflicts of our times. Altman examines extremism in its many incarnations and the complex pitfalls humans encounter when they try to do what is right, no matter the cost. In the process, he continues his tradition of creating ruthless female assassins, delivering his most terrifying creation yet. Riveting espionage struggles of conscience and edge-of-your-seat intrigue combine to make *False Flag* one of the most compelling and controversial thrillers of 2017. [North Dakota](#) Joseph L.
