Kashmir An Experiment Gone Sour

Anjali Nirmal

Kashmir An Experiment Gone Sour:

Political Dynamics of Jammu and Kashmir Yog Raj Sharma, 2002 **Urban Terrorism** N. C. Asthana, Anjali Nirmal, 2009 Outrageous myths have been created and perpetrated about terrorism in general and terrorism by Muslims in particular. There are two reasons for it. One is of course genuine ignorance about things Islamic. The other reason is more sinister. Myths are created and perpetuated because that keeps everyone in business. By spinning yarns about the most horrible things the terrorists are capable of doing, the media ensures that they have a never ending supply of sensational material with which to keep the people hooked. It also enables the intelligence agencies and security forces to appear more relevant and expand their turf in the process. The myths must be busted because they tend to settle deep in the collective subconscious and ultimately come to influence policy decisions. The media, for example, would have you believe that we have not been able to eradicate terrorism only because we do not have enough commandos everywhere. The fact is that terrorism would not be finished by killing a few terrorists. Bomb blasts continue to take place in spite of the arrests of the masterminds. As long as we do not address the root cause, there would be many more willing to kill and get killed. Victory against terrorism can be achieved only if you have completely understood the fundamental reasons of terrorism, the motivation of the terrorists, the intrinsic weaknesses of the targets, the innate strength of the way of the terrorist, and the follies of the approach that you have persisted with so far. If a nation has floundered in its war against terrorism, it is because it has never had a serious and honest to God analysis of terrorism. Hence this book. Exhaustive yet attractive, informative yet interesting, and above all, extremely hard hitting, it is the ultimate encyclopedia of terrorism. Kargil and After Kanti P. Bajpai, Afsir Karim, Amitabh Mattoo, 2001. Contributed articles La rebelión musulmana en Cachemira. Coincidencias y antagonismos con el fenómeno del fundamentalismo islámico transnacional Concepción Travesedo de Castilla, 2001 **Terrorism, Insurgencies, and Counterinsurgency Operations** N. C. Asthana, Anjali Nirmal, 2001. It presents an exhaustive analysis of terrorism in Kashmir, the North Eastern States, and Punjab. Besides Left Wing Terrorism, we find a revealing expose of the machinations of the ISI and the threat of Pan Islamic Fundamentalism. The authors show that ad hoc responses in the nature of fire fighting do not lead us anywhere. That is why, in spite of having killed thousands of terrorists, that deals and arrested several times more, we are still nowhere near controlling terrorism. That defines a political police or military solution. Here the authors develop a comprehensive strategy for counterinsurgency followed by an enunciation of the crucial tactical concepts that will ensure victory in our war against terrorism. La hostilidad indo-pakistaní como legado de la Guerra Fría. El conflicto de Cachemira Concepción Travesedo de Castilla, 2001 *Indian Books in Print*, 2003 **Indian Book Chronicle**, 1997 Rip the Khaki Anjali Nirmal, 1998. This extremely well researched and exhaustive magnum opus of the author, specialising in police affairs, lays bare all the myths and realities surrounding police functioning. **Kashmir, an Experiment Gone Sour** Anjali Nirmal, 1996. This book tells you everything about the
