W. Bellew, 2017-12-23 Excerpt from *Kashmir and Kashghar A Narrative of the Journey of the Embassy to Kashghar in 1873 74* The region lying immediately beyond the northern Indian Empire and comprehensively designated Chinese Tartary has during the last quarter of a century from time to time attracted the attention of Europe owing to the steady extension of the Russian dominion upon its northern borders This attention at no time very fixed upon the mind of the public received a fresh impetus by the events and issues of that remarkable revolution which in 1862 63 severed the connection of this region from the rest of the Chinese Empire and in the following years led to the conquest of its southern portion by a successful adventurer from an adjoining principality It has now for us acquired a special interest no less by reason of the intercourse which in the efforts to develop a trade in that direction has sprung up between us in India and the ruler of this newly constituted state of Central Asia than by that of the peculiar relations in which he stands to his Russian neighbour And the questions naturally arise What is the new principality of Kashghar And who is its founder Atalik Ghazi About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
