Adolph Menzel, 1815-1905 Adolph Menzel, National Gallery of Art (U.S.), Musée d'Orsay, Alte Nationalgalerie (Germany), 1996-01-01 Famous across Europe and America, recipient of the highest possible honours in Germany including the order of the Black Eagle and elevation to nobility, admired by Degas as the greatest living master, Adolph Menzel was perhaps the greatest German painter of the late nineteenth century. In this splendidly illustrated book, the only comprehensive volume on Menzel in English, photographs of the artist and contemporary Berlin accompany reproductions of hundreds of his paintings and drawings. Menzel specialists and art historians contribute chapters on his life and art, his visits to France, his critical reception, relevant social and historical background, and different approaches to his work. Until recently, Menzel's many paintings and drawings were separated from one another in collections on either side of the Berlin Wall. Now, in the wake of reunification, the Berlin Museums have put together the most extensive Menzel exhibit since the retrospective that followed his death in 1905. This book is the catalogue for the exhibit that had its debut at the Musée d'Orsay in Paris April 15 to July 28, travels to the National Gallery of Art in Washington D.C. September 15, 1996 to January 5, 1997, and returns to Nationalgalerie in Berlin February 7 to May 11, 1997.

Cage The Hummingbird Angela Stanfield, 2022-08-05 Kat trembled in fear, her heart racing as she looked around the windowless room. She sat against the headboard of the bed, staring at the scarring and damage of the wood of the four bedposts, indicating that women before her had been shackled against their will. She glanced fearfully at the guard who sat across the room, from her watching her without sympathy. How could her life have changed in a flash of a few seconds? Just a year before, she had joined her family on the island, which had seemed to promise peace and tranquility. It had been anything but for her, as she battled her mother's intolerance and abuse of her, and what seemed like constant scheming against her by her arch enemy, she'd known since childhood. And now, just as life was beginning to fulfill the promise of peace, she was facing terror. Instead, Kat heard the door to her room open, and her eyes widened as he walked in, smiling and greeting her with those black, soulless
