DOOR. Lyle K. Weiss, 1999 **Healing Mysteries** Adrian Gibbons Koesters, 2005 **Pastoral Counseling in a Global Church** Robert J. Wicks, Barry K. Estadt, 2005-12-28

Pastoral counseling is one of the fastest growing ministry specialties in the emerging world church. *Pastoral Counseling in a Global Church* vividly presents the experiences of people involved in ministry in different cultures in Asia, Africa, and Latin America, as well as Europe and Australia. Its practical narrative style approach complements more theoretical treatments of cross-cultural counseling. In our increasingly global and multicultural world, sensitivity to the ways in which families and cultures are central to growth in Christian life is essential for pastoral counselors. This is especially true since in many cultures the pastoral ministry is the first one people turn to for help before mental health or other professionals. Those who can apply culturally relevant and sensitive pastoral skills can provide real help to those in need, whether in a multicultural parish in North America or anywhere in the world.
