**Sensitive to Listen and Willing to Obey** Doris M. Arwine, 2014-05-15 God uses people daily to communicate His fragrance and message to us Too often we dont check to see what aroma or impression we are leaving for others to see hear or smell After visiting someones home or before checking out of a motel or when moving we double check to make sure we havent left anything behind Even criminals check to make sure they havent left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didnt count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasnt leaving anything behind Theres one thing you will leave behind young man your influence

Justification Wayne D Mueller, 2002-07-01 How can God forgive me? Many people, Christians and non-Christians alike, believe that they need to do something to earn God's love and forgiveness. That's how the rest of the world works. Why should God be any different? Justification shows how very different God is from people. And what a good thing that is for you and me. While God certainly desires that we live out our faith in love to other people, no certain amount of good works is necessary to earn God's love or forgiveness. He forgives freely, no strings attached. This book reaffirms the biblical proclamation of justification: You are saved by God's grace through God-given faith in Jesus Christ, and what He has done for you. If you're looking for comfort or asking the question, "How can God forgive me?" then this book is for you.
