Living the Questions of the Bible Luke A. Powery,2023-05-16 Living the Questions of the Bible presents questioning as a viable and faithful Christian practice We may think the Bible is only about getting answers but the Bible is also a question book revealing how the life of faith is a quest with and for God By exploring various passages in the Bible this book attempts to invite readers into an interrogative spirituality one in which we learn that even God questions Faith seeks and keeps on seeking It may reach understanding or it may not Either way our questions are a way to live the Christian life honestly faithfully and doxologically **The Living Church** ,1957 How Jesus Met Life Questions Harrison Sacket Elliott,1920

Living As God's People Doug Allen,2017-12-15 A life application exegesis of a book of the Bible is different and often hard to find especially of one of the Epistles Life application is not a historical document nor is it a purely theological writing It is the taking of the Word of God and applying to the daily life of the believer in order that the Christian may live Christ in his walk so that those around him may see God lived out and thus come to know him As the believer becomes more adept at doing this the Holy Spirit will be able to place that believer in more and more circumstances where he can use the believer often without the believer even knowing that he is being used It becomes natural to the believer Jesus puts it this way He said I am the vine you are the branches He that abideth in me and I in him the same bringeth forth much fruit All we have to do is hang in there Jesus does the rest through his Holy Spirit That is what life application exegesis is all about It is about living experiences of life with Christ so we may learn what Jesus wants to do in our lives to touch others Just think Jesus

wants to use us to touch others Blows your mind doesn't it **Dead River to Living Water** Tommy Poole,2023-04-18 Will you love her honor her and cherish her for as long as you both shall live Tommy assented to this question not once not twice but three times And each time he stood before the same woman Follow his story as he journeys from the Dead River swamp of South Georgia through the muddy waters of a sin filled life as a rebellious teen a disrespectful son an arrogant US Marine an unfaithful husband and an absent father until in desperation and on realizing his need for more than human help he cried out to God You will be inspired as his story unfolds Just as the Samaritan woman at Jacob's well received a drink of Jesus's living water changing everything for her so it was for Tommy Poole A life of sin being overcome by God's abundant amazing grace and love and then the incredible joy of experiencing human forgiveness that comes after which could only be the fruit

of the Savior's example all lead to a life of service in ministry for his Redeemer Tommy journals how the voyage from this life's dead river to living water is possible for everyone Comments from Pastor Gary Moyer VP for Administration Executive Secretary of the Caroline Conference If you need encouragement that God is able to turn your life around for the better you need to read this book This is one of those easy compelling reads I found hard to put down I've known Tommy for years but never knew the whole amazing story Wow Comments from Thomas T Hardy Director and Speaker of the Layman's Guidepost LLC What an amazing testimony Absolutely amazing I love the river water allegory and how it remains consistent throughout the book The opening scene at the kitchen table is incredibly powerful It drew me in immediately Your early years were so intensely challenging with so many distinctive experiences This story is something a lot of people will not be able to put down once they get started It is almost like a movie Your raw honesty is very earthly and real making your references to the spiritual concepts more voracious for the consumption of the reader I love it The impelling motives you give the reader at the end of most chapters kept me wanting more Yet the horrors of the alcoholic demon that overshadowed your life gave me great insight about and empathy for your struggle Pastor This is good stuff Both interesting and spiritually compelling this book grips the reader from the outset with scenes of gritty fallen humanity inspired and transformed by the living waters cascading from the throne of God The reader is invited to relive the journey of a man caught in the throes of the fallen nature being miraculously lifted up by the hands of Jesus Christ from His cross Thank you so much for allowing me the privilege of reviewing this book It has been a personal blessing to me in my faith walk and I am sure that it will be a blessing to every soul who reads it

Live Questions John Peter Altgeld, 1899 **Answers to Life's Foundational Questions**, 2014-12-15 From page to page the attentive reader will not escape a stir of one's inner essence regarding the fundamental issues of life He opens the lid to life's essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention and demand duty from its bearers It's a wakeup call to the slothful and a harsh reminder to the proud But it's more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good *Heart-yearnings; Or Living Truths for Living, Dead,*

and Dying Souls Silas Henn, 1859 The God Questions Jimmy F. Orr, D. Min., 2013-12 One of the foundational Christian beliefs is that God has spoken Most of the time in the Bible God makes statements At other times rather than making statements God asks questions And God's questions provoke serious thought Many people have questions they would love to ask God Many more have questions about God But the most important questions are the ones God is asking us The God Questions explores these and other questions God asked people in the Bible Where are you Whom shall I send and who will go for us Why are you so angry Where have you come from and where are you going Why are you so afraid Why do you call me Lord Lord and do not do what I say Who do you say that I am When the Son of Man comes will he find faith on the earth The questions God asked people of ancient times are the same questions God is asking us today Discover the questions God is asking you and in doing so find out what God has in mind for your life God and the Big Existential Questions Anthony Walsh, 2023-11-25 Existential questions are deep and profound philosophical questions that concern our very existence such as How did we get here What is the meaning and purpose of my life Is there a God and What happens to me when I die Humans have been asking these questions for as long as we have been able to think and reason and each possible answer spawns a host of additional questions Existential questions are perhaps ultimately unanswerable but we must accept the challenge and try and must entertain the possibility that they may be The author looks to science and philosophy for answers to such questions Both modes of thought seek knowledge in their own manner but philosophers must develop a greater tolerance for ambiguity than scientists because they ask many questions that are only partially amenable or not at all to empirical testing and for which there are no universally agreed upon answers Philosophy thus ventures into areas that science cannot or will not go Scientists and philosophers work with different goals and are judged by different standards although they both share the tools of logic conceptual analysis and rigorous argumentation Questions for which we can acquire definite answers through mathematics and experimentation are the realm of science questions for which we have no definite answers are the grist for the philosopher's mill It is this intellectual uncertainty in which the value of philosophy resides because it engages a liberating doubt **KJV Life Application Study Bible, Third Edition (Leatherlike, Peony Lavender, Indexed, Red Letter)** Tyndale, 2023-03 Trusted and treasured by millions of readers over 30 years the Life Application Study Bible Third Edition is today's 1 bestselling study Bible Perhaps the most complete single volume Bible ever compiled this study Bible helps readers of all ages understand the language of the Bible and gives advice on how to apply its teachings to the ups and downs of everyday life It has been thoroughly updated and expanded offering even more relevant insights With a fresh two color interior design and updated study notes and features this Bible will help you understand God's Word better than ever It answers the real life questions that you have and provides you with practical yet powerful ways to apply the Bible to your everyday life This edition includes the full text of the revered King James Version of the Bible The words of Jesus are in red Features Now more than 10 000 notes and features Over 100 Life Application profiles of key Bible
