El estudio de las piedras rúnicas, el rescate de los manuscritos islandeses y el descubrimiento de barcos casi intactos nos han permitido entender el mundo de los vikingos como una parte esencial de la cultura nórdica y europea.

ESKIMO FOLK TALES - 53 Inuit folk and fairy tales, 2020-05-26. The 53 ESKIMO OR INUIT folk tales contained herein were collected in various parts of Greenland and recorded directly from the lips of the Inuit Eskimo story tellers by Knud Rasmussen 1879-1933, a well known Danish explorer himself. Part Inuit Eskimo. Like most American Indian tales, these 53 stories are unlike any European children's story. There is no Puss in Boots nor a Cinderella or a Snow White or Sleeping Beauty. Instead, you will find unique stories and tales that the Inuit used to teach their children the moral lessons of life. These stories were usually told around a campfire with great effect. Tales like Nukunguasik Who Escaped From The Tupilak, The Insects That Wooed A Wifeless Man, The Very Obstinate Man, The Dwarfs, The Raven And The Goose, How The Fog Came, The Giant Dog, and many more. The constellation of the Great Bear is explained in one story, as is the origin of Venus in another. There is a version of the Bluebeard theme in imarasugssuaq, where it is said he was wont to eat his wives. Instances of friendship and affection between human beings and animals are found as in the tale of the Foster Mother. And the Bear. Fairy tales are common in all cultures worldwide. A test of how good they are is easily fulfilled by demands for another, usually by a little one tugging at your sleeve and coyly begging for another. Please see and this book has many of these. The 12 grey scale illustrations are by native Inuits. Eskimos' artists are not drawn to illustrate the particular stories but represent typical scenes such as they are described. As regards their contents, the stories present more clearly, perhaps than any objective study, the daily life of the Eskimos of old, their habit of thought, their conception of the universe and the curious spirit world which formed their religion and mythology. In point of form, they are refreshingly unique and highly enjoyable. 10% of the profit from the sale of this book will be donated to charities.
