Fisherprice Abcs Version 10:

Sherri Alpert, 2005-03-01 This book was written by Dr Sherri Alpert a General Dentist with a practice with a large population of children ages 3 7 She noticed a need for a book which could help to prepare preschool and early school aged children for a dental visit which includes dental restorative work fillings A large part of a child s apprehension comes from a fear of the unknown A good book could help to alleviate these fears by showing these children what they can expect before their actual dental visit There a number of good books currently available about a child s first dental visit for an exam and cleaning but before this one none adequately dealt with the child s emotional needs As a parent herself Dr Alpert knows just what to say with words and accompanying photos to put a child and her parent at ease about her first dental visit This book depicts a typical American girl from the first moment that she notices a problem with her teeth through her fears and discomfort to the resolution of her problem It depicts the support of caring adults including the girl s mother and Dental Professionals It does this in a storybook format so that the child s imagination is engaged while reading or hearing the book The book invites the child into Cassandra s world with its use of colorful photographs and melodic verse In fact the photographs tell the story so well it could be used for even younger children This is a fascinating picturebook which can be used to make the lives of children their parents and Dental Professionals easier The ABC, Or, Alphabetical Railway Guide, 1862 **The A B C Universal Commercial Electric Telegraphic Code, Specially Adapted for the Use of Financiers, Merchants, Shipowners, Underwriters, Engineers, Brokers, Agents, Etc., Etc. ...** W.
