## **Fishing Alaskan Waters:**

Fishing Up North Brad Matsen, 2012-08-01 True and intimate short stories of a modern fisherman's life of luck and loss. Written in chronological order fisherman Brad Matsen gives a realistic look of frightening weather, good fishing, terrible fishing, great days and sweet living in Alaskan waters from the decks of crabbers, trawlers, longliners, trollers and gillnetters. This book and others inspired film crews to trek to Alaska and cover the crabbing seasons for reality TV shows. Commercial fishing's home ports Dutch Harbor, Kodiak, Naknek, Cordova, Petersburg, Sitka and Seattle are classic fishing towns where docks, bars and even quiet living merge in colorful portraits about life on the last frontier. Included in this second edition are new stories and updates from the super-heated days when fishing fleets turned king crab into fortunes to the annual circus of Bristol Bay's monster salmon runs to the bucolic life of the open ocean trawler.

*Deadliest Waters* Sig Hansen, Mark Sundeen, 2010-07-08 Sig Hansen has been a star of the Channel 4's *The Deadliest Catch* from the pilot to the present. Seen in over 150 countries the show attracts more than 49 million viewers per season making it one of the most successful series in the history of cable TV. With its daredevil camera work, unpredictably dangerous weather and a setting as unforgivable and unforgettable as the frigid Bering Sea, *The Deadliest Catch* is unlike anything else on television. But the weather-worn fishermen of the fishing vessel *Northwestern* have stories that don't come through on TV. For Sig Hansen and his brothers, commercial fishing is as much a part of their Norwegian heritage as their names. Descendants of the Vikings who roamed and ruled the northern seas for centuries, the Hansens' connection to the sea stretches from Alaska to Seattle and all the way to Norway. And after twenty years as a skipper on the commercial fishing vessel the *Northwestern* which was his father's before him, Sig has lived to tell the tales. To be a successful fisherman you need to be a mechanic, navigator, welder, painter, carpenter and sometimes a firefighter. To be a successful fisherman year after year you need to be a survivor. This is the story of a family of survivors, part memoir and part adventure tale. *North by Northwestern* brings readers on deck into the dockside bars and into the history of a family with a common destiny. Built around a gripping tale of a deadly shipwreck like *The Perfect Storm*, *North by Northwestern* is the multi-generational tale of the Hansen family, a clan of tough Norwegian-American fishermen who through the popularity of *The Deadliest Catch* have become modern folk heroes.
