Outdoor Chronicles Jerry Hamza,2015-11-24 We hold a great affection for the deep tradition of American storytelling The ability to spin a yarn that can hold our attention and provide a gentle direction for life is something that has been with us for a long time The Celebrated Jumping Frog of Calaveras County by Mark Twain or Ernest Hemingway s Nick Adams stories hold us with their gentle wit and carry us away for just a little while In *Outdoor Chronicles* Jerry Hamza takes up the gauntlet of the storyteller to take readers away for a little fun There are already plenty of how to fishing and outdoor books and this is not one Hamza s stories will not make you a better caster or shooter but they will make you want to spend more time fishing or hunting This book is a collection of outdoor stories wrapped in the human condition They were written with an eye toward honesty and cynicism They will make you laugh out loud and you will want to carry them with you wherever you go If this book goes missing it s a sure thing that when you do find it it will be in the possession of a member of your household regardless of their interest in casting a fly The stories cover the gamut from a fishing trip to northern Canada to a little stream that was actually better than remembered to how the baby boomers almost trampled a sport to death to a solitary trek along railroad tracks during a cold dark and dreary February and many more Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home      *Classic Hunting Stories* Lamar Underwood,2003-01-01      *Greatest*

*Lines, Tines & Southern Pines* Corey W. Jenkins,2016-09-01 Corey Jenkins has crafted a set of stories that will have you crying laughing and begging for more Told with folksy humor down home charm *Lines Tines Southern Pines* is a treat for all who enjoy the outdoors with friends family Its written by a fun loving prankster a real man with wit style it will delight readers to the last word Henry David Thoreau wrote that a lot of men fish all their lives without ever realizing that fish isn t

really what they're after. That in one sentence encapsulates the theme of *Lines Tines Southern Pines*. The author skillfully articulates what is truly derived from growing up in the outdoors and the mysteries in the woods and beckoning waters of lakes, streams, and ponds. He entertains and moves us artfully in crafting the companionship and closeness of a Grandfather, Dad, Mom, family, friends, and provides insights about the true essence of nature and the powerful yet peaceful effect it can infuse within those receptive to its charms. I remember reading the story of a commercial airline pilot whose copilot asked him why on one of their regular routes he always looked down and sighed at the same place on a tiny river each time they passed over it. He replied that when he was a small boy he would be sitting down there on a log fishing when planes would fly over and he would wish with all his heart that he were up there flying the plane. But now that he was grown and flying, all he wished for with all his heart was that he could be that small boy again, back down on that log fishing. For anyone who loves the outdoors and craves to go back and be that small boy or girl again, reliving the joy and innocence of a blessed childhood well lived in the outdoors with loved ones now gone, Corey has stories that will take you back in your mind to those times in your life and bring smiles to your face and maybe tears to your eyes.

**Tales of Rod and Gun**, 1931 *We'll Do It Tomorrow: Southern Hunting and Fishing Stories* Jr. John P. Faris, 2016-08-09

When I wrote my first book *Ten Was The Deal* in 2013, I was surprised at its success. I received not only nice book reviews and complimentary comments from folks that you would expect to gravitate to hunting and fishing stories, but many non-hunters, women, and men spoke of how much they enjoyed word pictures of our beautiful southern outdoors, of the closeness and companionship of those we spend days afield with, and the adventure that is so much a part of many of our hunting and fishing trips. This book is more than tales of turkeys, rabbits, deer, ducks, and fish. It is about the joys and sorrows of life itself. I hope you will enjoy these stories as much as the experiences I had living them and reliving them as I share them with you, the reader.

**Ten Was the Deal** Jr. John P. Faris, 2013-09

*Ten Was The Deal* is more than a book of stories about hunting and fishing; it offers all of the enchantment of yarns spun while sitting on the tailgate of a pickup truck, all of the lore of tales told around a campfire. *Ten Was The Deal* is definitely a keeper. John's stories are set in pinewoods, along Piedmont streams, in Lowcountry fields, or along the coast of the Carolinas. This volume reveals a boy's journey to manhood, turkey hunting with a grandfather, duck hunting with a dad, and sharing his first kiss with a fishing buddy.

*Father Water, Mother Woods* Gary Paulsen, Ruth Wright Paulsen, 1996-03

Essays recount the author's adventures in the wilderness of northern Minnesota where fishing and hunting are serious business requiring inspiration and skill.

**Predicaments** Randy Williams, 2014-02-05

It was very easy finding something the main character of this book is good at: his ability to get into predicaments. The unlikely resolutions of these predicaments make the story. He has a way of falling into a steamy pile of misadventures but usually ends up coming out smelling OK. It isn't that big fish that you caught or that huge buck; it's the exaggerated memories.
