Olson,2012-02-01 While Stanley Fish has exerted immense influence on the study of seventeenth century poetry and prose his most widely read works and perhaps his most important are his nonliterary writings In *Justifying Belief* Gary Olson examines Fish s nonliterary work and explains that what unites Fish s interventions in so many seemingly disparate areas of inquiry is his belief in the centrality of rhetoric Whether he is discussing how disciplines conduct their work how political positions triumph or how practice always derives from specific situations despite the grandiose theories employed to justify them Fish consistently turns to the specific local contingent context to the rhetorical situation at play to explain how something works For Fish people understand or are persuaded by a position because it fits into the structure of beliefs already in play not because they have been swayed by the reasonableness of someone s argument they then pursue the available means of support to justify that belief rhetorically both to themselves and to others Olson demonstrates that this strong relationship between rhetoric and belief is the intellectual foundation of much of Fish s work *Justifying Belief* includes a comprehensive bibliography of Fish s works an Afterword by J Hillis Miller and a Foreword by Fish himself **Boating** ,1995-01 Niles' Weekly Register ...
