Fistful Of Rain:

A Fistful of Rain Greg Rucka, 2004-02-03 Greg Rucka has earned the kind of reputation that all thriller writers envy his crime fiction grabs readers by the throat and compels them to read as if their own lives were at stake Now in an electrifying departure Rucka creates a new kind of hero a damaged young woman in free fall who's not only in danger but dangerous A *Fistful of Rain* Mim Bracca is riding the fast lane straight off the end of the world Now she's coming home without a job without a future and without a prayer and only one last chance to get her feet under her or go down forever But home has its own terrors including a past Mim has done everything possible to leave behind Now that past is coming back with the shocking speed and deadly intent of a sniper's bullet aimed to destroy her once and for all When Mim suffers her first blackout waking up dazed and bloodied she's certain she's hit rock bottom She's wrong She's only just begun to fall The photos are invasive obscene and all over the Internet for anyone to see How they got there where and when they were shot and by whom Mim has no idea And before the investigation into the matter even begins a brutal murder makes it clear that whatever Mim thinks her life has been up to now she's about to learn it's all a lie The kind of lie that will kill Written with stunning originality *A Fistful of Rain* crosses the line separating the guilty from the innocent as it takes us on a breakneck ride of deceit and double cross and quite possibly the last twenty four hours in Mim Bracca's stormy life *Hill Station Teacher* Ruth Unrau, 1997 [American Illustrated Magazine](#), 1904 *Leslie's Monthly Magazine* Ellery Sedgwick, 1904

does it have on the way they view the world for which they fight In the struggle for Zimbabwe 1966 80 hundreds of thousands of peasants provided the guerrillas with practical help and support But they went a good deal further Throughout the country scores of spirit mediums the religious leaders of Shona gave active support to resistance With their participation the scale of the war expanded into an astonishing act of collaboration between ancestors and their descendants the past and the present the living and the dead This book is a detailed study of one key operational zone in the Zambezi valley It shows that to understand the meaning the war and independence have for the people of Zimbabwe themselves we must take into account not only the nationalist guerrillas and politicians the bearers of guns but also the mediums of the spirits of the Shona royal ancestors the bringers of rain Publisher *Drinking the Rain* Alix Kates Shulman, 2024-03-26 A memoir of spiritualism and self discovery from the acclaimed award winning author At fifty Alix Kates Shulman author of the celebrated feminist novel *Memoirs of an Ex Prom Queen* left a city life dense with political activism family and literary community and went to live alone on an island off the coast of Maine On a windswept beach in a cabin with no plumbing power or telephone she found that she was learning to live all over again In this luminous spirited book she charts her subsequent path as she learned not simply the joys of meditative solitude but to integrate her new awareness into a busy committed even hectic mainland life A ten year voyage of discovery Shulman s honesty and sense of inquiry carry us with her all the way could even if we were willing change our lives San Francisco Sunday Examiner Chronicle **Above the Rain** Víctor del Árbol, 2021-05-25 The past present and future collide on a breathtaking journey from 1950s Morocco to modern day Spain and Sweden equal parts literary novel historical fiction and crime story In Del rbol s noir inflected masterpiece the past is always present the political is always personal and love however fleeting is the only redeeming grace I loved every moment of it Halley Sutton author of *The Lady Upstairs* Miguel and Helena meet at a nursing home in Tarifa a coastal town at the southernmost tip of Spain At an age when they believe their life is behind them and distanced from their children they feel they are no longer needed The sudden suicide of one of the other residents opens their eyes They don t want to spend their last days longing for supposedly better times so together they decide to undertake the journey of their lives and confront the darkness in their pasts Meanwhile in the distant Swedish city of Malm the young Yasmina a child of Moroccan immigrants who dreams of being a singer lives trapped between her authoritarian grandfather and her contemptuous mother who is ashamed of Yasmina because she works for a Swede with a murky reputation And she s having a secret affair with the Deputy Commissioner of the Swedish police an older influential man As Yasmina is drawn deeper into Malm s criminal underworld and Miguel and Helena approach the end of their feverish road trip V ctor del rbol masterfully reconstructs the history of violence that links their seemingly disparate lives **Apple and Rain** Sarah Crossan, 2015-05-12 When Apple s mother returns after eleven years of absence Apple feels almost whole again In order to heal completely her mother will have to answer one burning question Why did she abandon her But just like the stormy Christmas Eve when she left her mother s

History of the Rain Niall Williams,2014-04-10 We are our stories We tell them to stay alive or keep alive those who only live now in the telling In Faha County Clare everyone is a long story Bedbound in her attic room beneath the falling rain in the margin between this world and the next Plain Ruth Swain is in search of her father To find him enfolded in the mystery of ancestors Ruthie must first trace the jutting jaw lines narrow faces and gleamy skin of the Swains from the restless Reverend Swain her great grandfather to grandfather Abraham to her father Virgil via pole vaulting leaping salmon poetry and the three thousand nine hundred and fifty eight books piled high beneath the two skylights in her room beneath the rain The stories of her golden twin brother Aeney their closeness even as he slips away of their dogged pursuit of the Swains Impossible Standard and forever falling just short of the wild rain sodden history of fourteen acres of the worst farming land in Ireland pour forth in Ruthie s still small strong hopeful voice A celebration of books love and the healing power of the imagination this is an exquisite funny moving novel in which every sentence sings

Clearly Now, the Rain Eli Hastings,2013-05-01 This memoir of a relationship with a self destructive woman is as elemental lyrical and cringe inducing a love story as they come Kirkus Reviews Suspenseful darkly funny and devastating this is Eli Hastings s true story of his troubled decade long relationship with his friend Serala At family events Serala wore saris and ate delicately from plates of curry But elsewhere she wore a lip ring designer shades and a cowboy hat would regularly drink frat boys under the table would sleep less than five hours a week and would place herself in dangerous situations for another bag of heroin Serala s complex character and seemingly haphazard choices are brought to vivid life from ill advised quests for narcotics in Mexican border towns to unplanned fifty hour road trips from Los Angeles to New York City Although her dark and traumatic journey concluded tragically at age twenty seven Hastings writes with a sense of hope and tenderness in this drug romance and adventure filled memoir of their unique relationship The Seattle Times An unflinching account of how it feels to be young and flirting with the abyss in America The narrator s observations as he and his friends ride rough across the U S A all pulled to orbit around their friend lover and lost soul Serala are also an investigation into the dangerously different ways that people respond to addiction This is an elegy yes as if told by a boy who

began his quest tutored by Kerouac's ghost but became on this hard road a man schooled in love by the spirit of the Dalai Lama Rachel Rose author of *Giving My Body to Science* Iron, Rain, and Green Tuley Francis Huntington, 1929 **Tears Before the Rain** Larry Engelmann, 1990 CBS camera man Mike Marriott was on the last plane to escape from Danang before it fell in the spring of 1975 The scene was pure chaos thousands of panic stricken Vietnamese storming the airliner soldiers shooting women and children to get aboard first refugees being trampled to death Marriott remembers standing at the door of the aft stairway which was gaping open as the plane took off There were five Vietnamese below me on the steps As the nose of the aircraft came up because of the force and speed of the aircraft the Vietnamese began to fall off One guy managed to hang on for a while but at about 600 feet he let go and just floated off just like a skydiver What was going through my head was I've got to survive this and at the same time I've got to capture this on film This is the start of the fall of a country This country is gone This is history right here and now In *Tears Before the Rain* a stunning oral history of the fall of South Vietnam Larry Engelmann has gathered together the testimony of seventy eyewitnesses both American and Vietnamese who like Mike Marriott capture the feel of history right here and now We hear the voices of nurses pilots television and print media figures the American Ambassador Graham Martin the CIA station chief Thomas Polgar Vietnamese generals Amerasian children even Vietcong and North Vietnamese soldiers Through this extraordinary range of perspectives we experience first hand the final weeks before Saigon collapsed from President Thieu's cataclysmic withdrawal from Pleiku and Kontum Colonel Le Khac Ly put in command of the withdrawal recalls receiving the order I opened my eyes large large large I thought I wasn't hearing clearly to the last minute airlift of Americans from the embassy courtyard and roof I remember when the bird ascended says Stuart Herrington who left on one of the last helicopters It banked and there was the Embassy the parking lot the street lights And the silence Touching heroic harrowing and utterly unforgettable these dramatic narratives illuminate one of the central events of modern history It was like being at Waterloo concludes Ed Bradley of 60 Minutes It was so important so historical And today it is still very obvious that we Americans have not recovered from Vietnam Nothing else in my lifetime was as important as that as important as Vietnam
