G. Wells Olaf Stapledon and such contemporary figures as Michael Moorcock J. G. Ballard and Storm Constantine **The Empress of Earth** Melissa Scott, 2013 Following Five

Twelfth of Heaven and Silence in Solitude this is the third and concluding novel in the Silence Leigh series Silence Leigh now faces the ultimate test of her skills as a pilot and of her powers as a sage Silence has finally wangled a deal with the Hegemony to use their gear to help them find the lost star roads to Earth This comes at a price though as the credit for this will go to the leader of the Hegemony's family so that one of his relatives can inherit his position given that he has no children The roads are not lost by accident there is an active group of planets trying to block access to Earth setting up a final conflict

*The Kindly Ones* Melissa Scott, 2017-07-28 Orestes was a cruel world cold and inhospitable Its first colonists were castaways from a crash landing cling to survival through the institution of strict socio political controls Over the generations life grew somewhat easier but the code of honour remained Misdeeds and errors were paid for with blood At one time all miscreants were executed Now a social death is imposed Every Oresteian city has colony of ghosts ostracised citizens who must survive somehow without help from the living But galactic civilisation is spreading and Orestes is in its path The old ways are under scrutiny And though the Oresteian aristocracy will fight for the status quo they have not reckoned on the power of a thousand ghosts

**Wind Raker** Jo Graham, Melissa Scott, 2016-06-30 A Deadly Paradise It's the summer of 1935 and Gilchrist Aviation's owner Alma Gilchrist Segura has brokered a deal that will take herself and fellow pilots Lewis Segura and Mitchell Sorley to Honolulu to test a new seaplane It pays well enough to take their families along for a working vacation including the children of the company's part time handyman whose father has abandoned them Better still archeologist Jerry Ballard is already there supervising a dig investigating whether Hawaii was actually discovered by the Chinese It's a crackpot idea but it's his only chance to prove that he can still handle field work after losing his leg at the end of the Great War and he's determined to restart his career However not all is as it seems The dig is funded by anonymous sources who seem to have far too much influence on its management including the hiring of German archaeologist Willi Radke and who seem to know exactly what they want to find The seaplane's testing is plagued by mysterious mechanical problems and rumors of a curse spread through the hangar Can you murder someone by magic And who would want to kill a middle aged Army officer who belongs to an allied lodge Alma Jerry Mitch Lewis and Stasi are determined to defend themselves but the power arrayed against them is greater than they imagined It will take everything they have as flyers scholars and magicians to survive this deadly paradise

Barnett,2020-05-25 A Battle of Wizardy From a History Not Quite Our Own GOD SAVE THE KING OF SCOTLAND The heavy summer air of 1593 is full of portents for Elizabeth England s Queen and James VI King of Scotland A

coven of witches secretly controlled by the Wizard Earl of Bothwell has summoned a storm to sink the ship that bears James bride to Scotland Though the ship made port the success of their summoning has emboldened them the coven is now launching wizardly attacks on the King himself and James is terrified FROM SATAN S WIZARD EARL The King has protectors not least the Queen of England herself but not even Elizabeth s secret service and her champion the redoubtable Sir Philip Sidney can be on watch every instant Eventually a trap is sprung and King James is at the mercy of the satanic Bothwell s deadly spells

**Trouble and Her Friends** Melissa Scott,2025-06-30 1994 Lambda Literary Award Winning Novel for Lesbian and Gay Science Fiction and Fantasy India Carless alias Trouble managed to stay one step ahead of the feds until she retired from life as a hacker and settled down to run a small network for an artist s co op Now someone has stolen her pseudonym and begun to use it for criminal hacking So Trouble returns Once the fastest gun on the electronic frontier she has been called out of retirement for one last fight And it s a killer Less than a hundred years from now the forces of law and order crack down on the world of the Internet It is the closing of the frontier The hip noir adventurers who got by on wit bravado and drugs who haunt the virtual worlds of the shadows of cyberspace are up against the edges of civilization It s time to adapt or die

**Dreaming Metal** Melissa Scott,2016-04-13 Five years after the Manfred riots the question of machine intelligence is still a dangerous one on Persephone and the coolie rights organization Realpeace is not prepared to let it go For conjurer Celinde Fortune and her musician cousin Fanning Jones the conflict is a distant one until the murder of a popular musician raises the stakes even for the most determinedly uninvolved And when Fortune acquires a new Spelvin construct to manage her magic act one originally owned by an FTL pilot named Reverdy Jian she is thrust suddenly into the middle of the problem Because this construct is something different and that difference can get them all killed

**Burning Bright** Melissa Scott,2021-03-20 In Burning Bright Scott tells a passionate colorful tale of love and death her best yet Setting her story on the free port planet of Burning Bright nexus of trade politically balanced between the human and Hsai empires in space and center of virtual reality gaming for all of civilization Scott weaves a network of intrigue and suspense When space pilot and ambitious young game developer Quinn Lioe gets shore leave on Burning Bright determined to play the game at its brilliant center she becomes enmeshed in the conflict between two great empires a key figure upon whom the fates of fortune turn Once again Scott constructs a brilliantly complex future society and tells a story that involves the mind and the heart This is science fiction adventure at its classic best

**Night Sky Mine** Melissa Scott,2023-05-20 Kelly 2 1 Ista is an apprentice hypothecary learning to work with the quasi living computer programs that live and breed in virtual space She is also a foundling the only survivor of a disaster on one of the Night Sky Mining Company s mining platforms and without a real identity she will never be able to leave the station When a second platform is attacked and abandoned in much the same way she joins forces with a pair of off station investigators in the hope that she will find her true identity but there is far more danger waiting for her in both the real and virtual worlds than she had even begun to imagine Mature balanced

absorbing work with a richly detailed enchanting backdrop something of a breakthrough in overall technique and Scott's best so far Kirkus Reviews Scott explores the ramifications of virtual life through the very human eyes of her principals this is most artful cyberpunk told with heart Publishers Weekly starred review     How to Live Forever Stephen R L Clark, 2008-01-28 Immortality is a subject which has long been explored and imagined by science fiction writers In his intriguing new study Stephen R L Clark argues that the genre of science fiction writing allows investigation of philosophical questions about immortality without the constraints of academic philosophy He reveals how fantasy accounts of issues such as resurrection disembodied survival reincarnation and devices or drugs for preserving life can be used as an important resource for philosophical inquiry and examines how a society of immortals might function through a reading of the vampire myth How to Live Forever is a compelling study which introduces students and professional philosophers to the possibilities of using science fiction in their work It includes extensive suggestions for further reading both fictional and philosophical and examines the work of such major science fiction authors as Arthur C Clarke Frank Herbert Larry Niven William Gibson and Colin Wilson     *An Informal History of the Hugos* Jo Walton, 2018-08-07 Engaged passionate and consistently entertaining *An Informal History of the Hugos* is a book about the renowned science fiction award for the many who enjoyed Jo Walton's previous collection of writing from Tor.com the Locus Award winning *What Makes This Book So Great* The Hugo Awards named after pioneer science fiction publisher Hugo Gernsback and voted on by members of the World Science Fiction Society have been presented since 1953 They are widely considered the most prestigious awards in science fiction Between 2010 and 2013 Jo Walton wrote a series of posts for Tor.com surveying the Hugo finalists and winners from the award's inception up to the year 2000 Her contention was that each year's full set of finalists generally tells a meaningful story about the state of science fiction at that time Walton's cheerfully opinionated and vastly well informed posts provoked valuable conversation among the field's historians Now these posts lightly revised have been gathered into this book along with a small selection of the comments posted by SF luminaries such as Rich Horton Gardner Dozois and David G Hartwell A remarkable guided tour through the field a kind of nonfiction companion to *Among Others* It's very good It's great New York Times bestselling author Cory Doctorow *Boing Boing* on *What Makes This Book So Great*     The Space Opera Renaissance Kathryn Cramer, David G. Hartwell, 2007-07-10 From two acclaimed editors comes the best ever anthology of science fiction's most vigorous subgenres the space opera Space opera once a derisive term for cheap pulp adventure has come to mean something more in modern SF compelling adventure stories told against a broad canvas and written to the highest level of skill Indeed it can be argued that the new space opera is one of the defining streams of modern SF Now World Fantasy Award winning anthologists David G Hartwell and Kathryn Cramer have compiled a definitive overview of this subgenre both as it was in the days of the pulp magazines and as it has become in the 2000s Included are major works from genre progenitors popular favorites and modern day pioneers     *Shadow Man* Melissa Scott, 2009 In the far future human culture

develops five distinctive genders due to the effects of a drug that eases sickness from faster than light travel Winner of a Lambda Literary Award for Gay Lesbian Science Fiction *Shadow Man* remains one of the more important modern speculative novels ever published in the field of gender and sexual identity
