has one of the sharpest comic minds in the country I would read anything he's written about anything This book made me start listening to The Jam Romesh Ranganathan Full of wit cheek and energy not just for fans of The Jam this is for fans of London of youth of life itself Rory Bremner This is a funny fascinating absorbing surprising and readable book with the added bonus of Phill Jupitus's delicious cartoons A book for anyone who is now middle aged and looking back joyfully at their youth Jo Brand I really liked this book I'd forgotten how shit it was in the seventies Paul Weller Ian Stone grew up in a Jewish working class house in north London in the mid 1970s Everywhere around him adults were behaving badly His parents relationship was in freefall so he tried not to spend too much time at home But outside there was industrial unrest football violence racism and police brutality As for the music it was all Save All Your Grandma's Kisses for My Love Sweet Jesus It made him feel physically sick Then The Jam appeared This is Ian's story of that time Of weekend jobs so that he could go to gigs Of bunking into the Hammersmith Odeon and ending up on the roof Of going to see The Jam in Paris and somehow finding himself being interviewed for Melody Maker Of attempting to keep out of the way of skinheads and trying and failing to work out how to talk to girls And of devastation when in 1982 Paul Weller announced that the band were splitting up There will never be another band like The Jam For those who went on that journey with them the love ran deep And still does They helped Ian and thousands like him to grow up to be someone *Forbidden Flights* Serge Guéguen, 2016-11-25

Forbidden flights during which mercenary paratroopers are airdropped over central France with their payloads of cocaine But also the forbidden flights of several of the finely drawn characters seeking vainly to flee their troubled pasts Against a backdrop of French popular culture Serge Guéguen weaves a compelling tale of criminal intent implacable vengeance and ultimate comeuppance in an action packed intrigue which throughout blends realistic narrative with telling psychological insights A perfect combination of action and mind games for a gripping thriller EXCERPT It was the grey dreary month of November The prison of Villepinte in the northern outskirts of Paris seemed even more sombre and depressing than usual Laid out in the middle of the fields like a set of Lego blocks the place was soulless and life less despite the yellow bands which the administration had painted on the high barbed wire topped walls In the waterlogged car park a bus was waiting for its clients depending on the time of day these might be either inmates or visitors The driver a Black probably of mixed race judging by the lightness of his skin was absorbed in reading his sports daily Reflexively he reached out to turn up the volume of the Tropiques FM radio station as the fast and furious Caribbean Zouk music invaded the cabin without disturbing anyone since the seats behind him were still empty Just like every day at that time ABOUT THE AUTHOR After spending a fulfilling career within a French company and writing plays and scripts Serge Guéguen decided to focus on what he is most passionate about crime novels Today four of his books have been published and one of them has been awarded the Quai des Orfèvres prize in 2014
