Flame Heart A History Of The Glass Bot:

Historic Bottle and Jar Closures Nathan E Bender, 2016-07 This book presents a much needed review of commercial closures for bottles and jars used in America prior to World War II Archaeological attention to commercial closures has been rather limited This is surprising given that data derived from bottles and jars pertain to a wide range of studies including chronological control trade site functions and methods of manufacture Closures are an integral part of these studies becoming particularly important after a spectacular variety of metal and glass caps in the late nineteenth and early twentieth centuries This volume provides a comprehensive review including detailed closure definitions as well as glass finishes discusses the history of the development and impact of the hermetic seal in commercial closures will appeal to students professionals and collectors studying this common historic artifact class Baffle Marks and Pontil Scars: A Reader on Historic Bottle Identification Peter D. Schulz, 2016-03-04 **Flame and Heart** Glass Bottle Blowers Association of the United States and Canada, Lee W. Minton, 1961 The Glass House Boys of Pittsburgh James L. Flannery, 2009 An original examination of legislative clashes over the singular issue of the glass house boys who performed menial tasks received low wages and had little to say on their own behalf while toiling in glass bottle plants Flannery reveals the many societal economic and political factors at work that allowed for the perpetuation of child labor in this industry and region **Glass Towns** Ken Fones-Wolf, 2007 One of the central questions facing scholars of Appalachia concerns how a region so rich in natural resources could end up a symbol of poverty Typical culprits include absentee landowners reactionary coal operators stubborn mountaineers and greedy politicians In a deft combination of labor and business history Glass Towns complicates these answers by examining the glass industry s potential to improve West Virginia s political economy by establishing a base of value added manufacturing to complement the state s abundance of coal oil timber and natural gas Through case studies of glass production hubs in Clarksburg Moundsville and Fairmont producing window tableware and bottle glass respectively Ken Fones Wolf looks closely at the impact of industry on local populations and immigrant craftsmen He also examines patterns of global industrial restructuring the ways workers reshaped workplace culture and political action and employer strategies for responding to global competition unreliable markets and growing labor costs at the end of the nineteenth century **The Glass City** Barbara L Floyd, 2014-10-30 The headline Where Glass is King emblazoned Toledo newspapers in early 1888 before factories in the Ohio city had even produced their first piece of glass After years of struggling to find an industrial base Toledo had attracted Edward Drummond Libbey and his struggling New England Glass Company to the shores of the Maumee River and many felt Toledo s potential as The Future Great City of the World would at last be realized The move was successful though not on the level some boosters envisioned and since 1888 Toledo glass factories have employed thousands of workers who created the city s middle class and developed technical innovations that impacted the glass industry worldwide But as has occurred in other cities dominated by single industries from Detroit to Pittsburgh to

Youngstown changes to the industry it built have had a devastating impact on Toledo Today 45 percent of all glass is manufactured in China Well researched yet accessible this new book explores how the economic cultural and social development of the Glass City intertwined with its namesake industry and examines Toledo s efforts to reinvent itself amidst the Midwest s declining manufacturing sector **A Culture in Conflict** Bryan D. Palmer,1979-01-01 *The Glass Gaffers of New Jersey, and Their Creations from 1739 to the Present* Adeline Pepper,1971 A fascinating account spanning three centuries of New Jersey s unique role in the creation of hand made glass As New Jersey blown glass was the precursor of most other early American glass this volume by no means regional history alone is of enormous interest and value to all collectors in the field and will appeal to students of crafts and customs **Unlikely Partners** Richard Magat,1999 For too long the labor movement and philanthropic foundations have had little contact even when their guiding principles are the same The time is ripe for a new national conversation on where and how they can effectively work together Richard Magat s new book focuses on the relationship between unions and foundations its history its dynamics and its potential This is a relationship that can and should be enormously valuable for both sides John J Sweeney President AFL CIO An investigation into the little known history of relations between organized labor and philanthropic foundations in America this book reveals curious connections linking these important institutions throughout the twentieth century Richard Magat examines these relations whether indirect or direct confrontational supportive or collaborative in a wide variety of areas research the condition and status of black and female workers the struggle of farmworkers workplace health and safety the union democracy movement and the stake of union members in the global marketplace *Unlikely Partners* begins with the industrial and social ferment in which the great modern foundations arose in the early twentieth century It covers such topics as the Russell Sage Foundation the first to address labor conditions the National Civic Federation and manifestations of enlightened business practice including welfare capitalism The book lays out areas of future community fiscal and policy collaboration between unions and foundations **Monthly Labor Review** ,1961 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews Proceedings of the Glass Bottle Blowers Association of the United States and Canada, Composed of Glass Bottle Blowers, ...
