FLAMES OF LOVE, FLAMES OF FREEDOM Thaddeus Hutyra, 2014-06-07 Love Must I be Shakespeare to express my love one which was greater than life seeming to last forever everlasting We had it so good enjoying each other friends and lovers or lovers and friends difficult to say what was first or both at once Our love was the Sun splashing us brightly and the shimmering stars at night sending us kisses of love incessantly Our love were people smiling at us wishing us all the goodwills of the world and we ourselves united in each other Everything was in place rightfully and godly rivers of honey seas of boundless beauty biodiversity serving us as we serving her But when you went away one day from me with no goodbye no a word of farewell it was the end of the world for me Romeo alike Stars crashed down on Earth the following night and I was swept away by the high seas a castaway on the ocean in its full storm I was

myself a bottle with a message inside saying I love you till the end of the world the bottle filled with the tears of my despair

Prophet, 1988 **On Freedom** Nicholas J. Pappas, 2014-03-01 The notion of freedom is essential to America's view of itself as a democratic and individual based society In this philosophical dialogue characters

assess the many facets implications and apparent contradictions inherent in this deceptively complex idea Seventy nine short segments provide food for thought even in stolen moments of reading pleasure The book sparkles with intellectually stimulating views Drawing on the tradition of the Platonic dialogue *On Freedom* explores what freedom is and what it means through the discussions of two characters Director and Friend Topics include Slavery Responsibility Anarchy Wealth Love Courage Authority Inhibition Happiness Discipline Vigilance The characters arrive at no simple or absolute definition of freedom But that doesn't mean they don't finish with a better idea of what freedom is than when they started If anything they come to appreciate the need for clarity about their subject And they come to see that such clarity necessarily involves complexity Readers with no philosophical training can enjoy this book while readers with a philosophy background can enjoy the way it treats an old familiar theme with a lighter touch Families will value *On Freedom* for enabling younger readers too to explore philosophic ideas of general interest and importance

Prophet,2009-04 Freedom is a flame It cannot be confined to the realm of politics religion or philosophy It encompasses all Burning within the hearts of men and nations can be found the unquenchable fires of freedom Throughout the centuries seekers have discovered the way of freedom the freedom of which Jesus spoke when he said Ye shall know the truth and the truth shall make you free How can we achieve this freedom There are teachers the ascended masters Buddha Maitreya Confucius Saint Germain Jesus and Saint Francis are but a few of the saints and sages who have risen to attain liberation and union with God They continue to work with earnest seekers who have made the greater way of freedom their goal If you will receive them the masters offer guidance and instruction Having reached the summit to which we now climb they are releasing teachings that lead to self mastery and the freedom of the soul in God *Consumed in Freedom's Flame* Cathal Liam,2002-02 Consumed in Freedom's Flame is the exciting story of a fictional hero Aran Roe O'Neill and his resolute commitment to Ireland and its quest for independence He personifies the courageous resistance of generations of Irishmen and women to English conquest corruption and injustice Together with a small group of other republicans Aran fights for his nation's freedom during the early part of the twentieth century The story weaves fact and fiction around the exploits of this youthful Irishman and his adventurous friends from Dublin's 1916 Easter Rising to the ensuing Irish War of Independence Theirs is the troubled and tormented account of Ireland's attempt to control its own destiny in the face of resolute British opposition and the intervention of Fate's cruel hand **Flames of Freedom** Tom Owens,2000 Burn Tories Burn

From the Shadow of Freedom Louise Yvonne Dean, 2013-12-10 From the Shadow of Freedom is a collection of poems and prayers that I wrote during a very difficult time in my life due to physical mental and sexual abuse After surviving multiple attempts of suicide I gave up on death and just dealt with the pain I lived and wrote in the shadow of freedom with the dream that someday I would become free and soar like an eagle to be the person I was created to be in this lifetime To express oneself verbally was wrong and for me to pen the words of these poems I would always have to hide somewhere in the shadows in order not to be caught and punished for expressing my thoughts and feelings Today I no longer live in that prison of abuse nor do I live in the shadows I can openly express my thoughts and feelings I have found that freedom is a beautiful thing and today I soar as that eagle I always dreamed of I pray these poems and prayers will penetrate the darkest shadows of all who read them and bring light peace freedom and healing to their dark wounded heart soul and spirit Freedom From the Shadow of L
