Flann O'Briens Exorbitant Novels:

Flann O'Brien's Exorbitant Novels Thomas F. Shea, 1992 In response to his predicament he probes irregular sorts of coherence different methods of amalgamation and modified criteria of communication Through permutations of phrase making newerfangled arrangements of words and transgressive metaphors he discovers the animating charge of authoring innovation O'Brien's last two novels *The Hard Life* 1961 and *The Dalkey Archive* 1964 share several attributes Both were written twenty odd years after the earlier novels both appear unusually tame for O'Brien and both are often taken lightly as enervated end of career efforts by an author who once had good stuff However O'Brien's unpublished letters to his friends Niall Montgomery and Niall Sheridan his agents at A M Heath Patience Ross and Mark Hamilton and his new publisher during the 1960s Timothy O'Keefe reveal that these novels are intended as experiments in subterfuge

Flann O'Brien & Modernism Julian Murphet, Ronan McDonald, Sascha Morrell, 2014-07-31 Flann O'Brien the ethics and paradoxes of naming parody and homage lies and deception theatricality sexuality technology and transport and the inevitable matter of drink and intoxication Taken together these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two

Flann O'Brien and the European Avant-Garde, 1934-45 Tobias William Harris, 2025-01-23 Crossing the boundaries of a single author study this book uncovers Flann O'Brien's attempt to forge a commercially successful Irish literary project from international avant garde influences Situating O'Brien's early work within a global context the book uses new evidence of his collaborations to reimagine him as a networked writer O'Brien drew upon experimental techniques to generate new categories of writing rethink Irish culture and reach a wide audience This study illuminates a network of cultural production around O'Brien linking his work to English comic magazines Dadaist photomontage Expressionism Central European theatre and renowned writers like Jorge Luis Borges and Franz Kafka By reexamining Flann O'Brien within the context of the momentous global political and cultural crises that spurred avant garde experimentation the book also rewrites the cultural history of Ireland in the 1930s and 1940s

Unauthorized Versions José Lanter, 2000 Certain moments in history especially periods of cultural turmoil and political change appear to be conducive to the writing of Menippean satire *Unauthorized Versions* is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O'Duffy Austin Clarke Flann O'Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues

between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings *Unauthorized Versions* reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official censorship seeking to engage his audience in the dethroning of the very authorities by whom he is deprived of his audience By revealing his own ambiguous position the satirist knowingly subverts his own authority along with that of his opponents This study will appeal to students and scholars interested in Irish literature genre studies the reception of the Middle Ages and the relationship between literature and history Jos Lanters associate professor of classics at the University of Oklahoma will begin her position as associate professor of English at the University of Wisconsin Milwaukee in Fall 2000 She is author of *Missed Understandings A Study of Stage Adaptations of the Works of James Joyce* and coeditor of *Troubled Histories Troubled Fictions Twentieth Century Anglo Irish Prose* Irish satire in the twentieth century has awaited a critic as intelligent and well informed as Jose Lanters whose *Unauthorized Versions* nicely complements Vivian Mercier s pioneering efforts For several of the works she discusses Lanters here provides the only substantial criticism they have received to date Her approach combines sensitivity to form and expression with a constant attentiveness to historical context while her study is anchored in a lucid and suggestive use of Bakhtin Every library with an interest in Irish writing will want this book R Brandon Kershner Alumni Professor of English University of Florida Lanters well argued volume will be a valuable resource for the study of modern Irish prose at the upper division undergraduate level and above Choice Works discussed in *Unauthorized Versions* Darrell Figgis *The Return of the Hero* Eimar O Duffy *King Goshawk and the Birds* *The Spacious Adventures of the Man in the Street* Asses in Clover Austin Clarke *The Bright Temptation* *The Singing Men at Cashel* *The Sun Dances at Easter* Flann O'Brien *At Swim Two Birds* *The Third Policeman* Mervyn Wall *The Unfortunate Fursey* *The Return of Fursey* [The Complete Novels of Flann O'Brien](#) Flann O'Brien, 2008-01-08 Flann O'Brien along with Joyce and Beckett is part of the holy trinity of modern Irish literature His five novels collected here in one volume are a monument to his inspired lunacy and gleefully demented genius O'Brien s masterpiece *At Swim Two Birds* is an exuberant literary send up and one of the funniest novels of the twentieth century The novel s narrator is writing a novel about another man writing a novel in a Celtic knot of interlocking stories The riotous cast of characters includes figures stolen from Gaelic legends along with assorted students fairies ordinary Dubliners and cowboys some of whom try to break free of their author s control and destroy him The narrator of *The Third Policeman* who has forgotten his name is a student of philosophy who has committed murder and wanders into a surreal hell where he encounters such oddities as the ghost of his victim three policeman who experiment with space and time and his own soul who is named Joe *The Poor Mouth* a bleakly hilarious portrait of peasants in a village dominated by pigs potatoes and endless rain is a giddy parody aimed at those who would romanticize Gaelic culture A naive young orphan narrates the deadpan farce *The Hard Life* and *The Dalkey Archive* is an outrageous satiric fantasy

Shea,1986 **An Irish Literature Reader** Maureen O'Rourke Murphy,James MacKillop,2015-02-01 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the *Field Day* anthology editors Maureen O'Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the *Encyclopedia of British Literature* includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to *The Oxford Encyclopedia of American Literature* this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebL **Irish Modernism** Edwina Keown,Carol Taaffe,2010 An examination of the emergence reception and legacy of modernism in Ireland Engaging with the ongoing re-evaluation of regional and national modernisms the essays collected here reveal both the importance of modernism to Ireland and that of Ireland to

modernism This collection introduces fresh perspectives on modern Irish culture that reflect new understandings of the contradictory and contested nature of modernism itself *Flann O'Brien, Bakhtin, and Menippean Satire* M. Keith Booker, 1995-10-01 This work applies Mikhail Bakhtin's theory of literary discourse and the concept of carnivalisation to the work of Flann O'Brien The author emphasizes the political and social implications of the writings arguing that O'Brien maintained a reflexive focus on language throughout his career *Pained Screams from Camps* Aisling Reid, Valentina Surace, 2024-06-17 Detention camps exceed the juridical concept of punishment and crime This book comprises two parts 1 a collected volume that discusses camps not as something of the past but as a paradigmatic political space in which ordinary law is completely suspended and 2 an Italian English parallel text of the war diary of an Italian prisoner during his confinement at the Stalag X B internment camp near Sandbostel from 1943-1945

1 *The Human Condition of Exception* Collected Essays Edited by Aisling Reid and Valentina Surace Written in Italian and English the essays collected in this volume explore the issue of camps and suffering from various perspectives including philosophical inquiry literary analysis historical description and legal assessment As Agamben suggests the camp embodies the state of exception A dehumanising camp life will therefore emerge every time such a structure is created What happens in camps exceeds the juridical concept of punishment as well as that of crime Prisoners are faced with a useless pain Levinas as it is not the expiation of a fault Prisoners attempt to describe their extreme suffering through their diaries Their experience however cannot be entirely communicated Even their screams which express humanity at the extreme limit of its unpower are silenced Given the recent popularity of right wing politics as well as the centenary of Mussolini's march on Rome such research is more urgent than ever The book will appeal to readers with an interest in philosophy as well as Irish history scholars studying internment during Partition and The Troubles in Northern Ireland

2 *Aldo Quarisa's Diary: An Italian English Edition* Edited by Aisling Reid and Valentina Surace Transcribed and with a preface by Galileo Sartor Translation of the diary by Aisling Reid Italian English In 1943 Aldo Quarisa worked at a military school in Florence where he taught literature In October of that year one month after Italy had surrendered to the Allied forces the Italians declared war on the Germans In Florence the German occupiers responded quickly by arresting and deporting people with military connections to numerous concentration camps in Austria Quite suddenly Aldo was detained and deported through a network of camps including Benjaminovo and the Stalag X B internment camp near the German village of Sandbostel For two years he found himself imprisoned alongside other Italians including the celebrated journalist Giovannino Guareschi who secretly kept a diary that was later published as his *Diario Clandestino* 1943-1945 In 1946 Much like Guareschi Aldo also kept a diary and excerpts are published here in both Italian and English for the first time The diary describes in unprecedented detail the monotony of camp life the cruelty of the guards and the prisoners struggle to survive The text is an important document that preserves the memory and voices of all those who suffered during the war and will inevitably be of interest to readers with an interest in World War II **Possible**

Worlds Theory and Contemporary Narratology Alice Bell, Marie-Laure Ryan, 2019-01-01 The notion of possible worlds has played a decisive role in postclassical narratology by awakening interest in the nature of fictionality and in emphasizing the notion of world as a source of aesthetic experience in narrative texts As a theory concerned with the opposition between the actual world that we belong to and possible worlds created by the imagination possible worlds theory has made significant contributions to narratology Possible Worlds Theory and Contemporary Narratology updates the field of possible worlds theory and postclassical narratology by developing this theoretical framework further and applying it to a range of contemporary literary narratives This volume systematically outlines the theoretical underpinnings of the possible worlds approach provides updated methods for analyzing fictional narrative and profiles those methods via the analysis of a range of different texts including contemporary fiction digital fiction video games graphic novels historical narratives and dramatic texts Through the variety of its contributions including those by three originators of the subject area Lubomir Doležel Thomas Pavel and Marie-Laure Ryan Possible Worlds Theory and Contemporary Narratology demonstrates the vitality and versatility of one of the most vibrant strands of contemporary narrative theory *Irish Literature Since 1800* Norman Vance, 2014-06-11 This book surveys Irish writing in English over the last two centuries from Maria Edgeworth to Seamus Heaney to give the literary student and the general reader an up to date sense of its variety and vitality and to indicate some of the ways in which it has been described and discussed It begins with a brief outline of Irish history of Irish writing in Irish and Latin and of writing in English before 1800 Later chapters consider Irish romanticism Victorian Ireland W B Yeats and the Irish Literary Revival new directions in Irish writing after Joyce and the literature of contemporary Ireland north and south from 1960 to the present [Encyclopedia of the Novel](#) Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world [Revolutionary Damnation](#) Sheldon Brivic, 2017-05-11 In Irish fiction the most famous example of the embrace of damnation in order to gain freedom politically religiously and creatively is Joyce's Stephen Dedalus His non serviam though is not just the profound rebellion of one frustrated young man but as Brivic demonstrates in this sweeping account of twentieth century Irish fiction the emblematic and necessary standpoint for any artist wishing to envision something truly new Revolutionary fervor is what allowed a country with a population lower than that of Connecticut to produce so many of the greatest writers of the twentieth century Because Irish culture was largely dictated by the Catholic Church and its

conservatism the most ambitious Irish writers like Joyce Beckett and the ten others Brivic presents here saw the advantages of damnation and seized them rejecting powerful norms of church state and culture as well as of literary form voice and character to produce some of the most radical work of the twentieth century Brivic links the work of writers such as Flann O'Brien Patrick McCabe and Anne Enright to the theories of Alain Badiou His mathematical procedure for distinguishing what is truly innovative informs the progressive political and philosophical thrust that these writers at their best carry on from Joyce and Beckett to unfold a fierce tradition that extends into the twenty first century

Hugging the Shore John Updike, 2013-01-15 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD Writing criticism is to writing fiction and poetry as hugging the shore is to sailing in the open sea writes John Updike in his Foreword to this collection of literary considerations But the sailor doth protest too much This collection begins somewhere near deep water with a flotilla of short fiction humor pieces and personal essays and even the least of the reviews here those that come about and draw even closer to the land with another nine point quotation are distinguished by a novelist's style insight and accuracy not just surface sparkle Indeed as James Atlas commented the most substantial critical articles on Melville Hawthorne and Whitman go out as far as Updike's fiction They are the sort of ambitious scholarly reappraisal not seen in this country since the death of Edmund Wilson With *Hugging the Shore* Michiko Kakutani wrote Updike established himself as a major and enduring critical voice indeed as the pre eminent critic of his generation

Subject Guide to Books in Print, 1991 *Literature and Ethics* Daniel K. Jernigan, 2009 *Literature and Ethics* covers a wide gamut of literary periods and genres including essays on Victorian literature and modernism as well as several studies on narrative but the central ethos emerges from considerations of issues of responsibility and irresponsibility as they find expression in literary study and in ethics Students and academics who are interested in literary theory ethics narrative form and issues of authorial responsibility and how such matters inform the reading of literary texts will find that this collection offers a wide array of approaches and viewpoints by major figures from the relevant sub disciplines in literary studies The collection offers much timely critical observation on a variety of contemporary authors but also provides critically adventurous commentaries on Victorian literature and on Indian African Irish and Australian literature The volume assembles a collection of essays that would illustrate the great diversity of methods by which considerations of responsibility can and do offer insight into a range of literary texts and theoretical discourses while also making a contribution to the philosophical question of responsibility and irresponsibility in the contemporary world The collection as a whole testifies to the human fascination with issues of responsibility just as it testifies to the necessity of posing questions of responsibility as questions of ethics and literature the necessity of recognizing in other words that responsibility names a concept whose only ground is the history of those fictional narratives of responsibility and irresponsibility that modern civilization would do well to continue inventing and reflecting upon critically So whether ethical discourses find expression in theoretical debate or in and through the sophisticated fictions that

constitute an imaginative culture what is clear both from wider discussions related to the value of literary texts that are such a central part of contemporary literary studies and from the varied and nuanced arguments that are made in this collection is that questions of responsibility are central to literature philosophy and the arts just as they are to the social realities that spawned them in the first place Literature and Ethics is an important book for all literature and literary theory collections It has specific resonance for students and teachers who are interested in the value of literary study and in questions of ethics and narrative
