Flashpoint Series **Flashpoint** Derek Charles Catsam,2021-08-28 Forty years ago a South African rugby tour in the United States became a crucial turning point for the nation s burgeoning protests against apartheid and a test of American foreign policy In Flashpoint How a Little Known Sporting Event Fueled America s Anti Apartheid Movement Derek Charles Catsam tells the fascinating story of the Springbok s 1981 US tour and its impact on the country s anti apartheid struggle The US lagged well behind the rest of the Western world when it came to addressing the vexing question of South Africa s racial policies but the rugby tour changed all that Those who had been a part of the country s tiny anti apartheid struggle for decades used the visit from one of white South Africa s most cherished institutions to mobilize against both apartheid sport and the South African regime more broadly Protestors met the South African team at airports chanted outside their hotels and courted arrests at matches which ranged from the bizarre to the laughable with organizers going to incredible lengths to keep their locations secret In telling the story of how a sport little appreciated in the United States nonetheless became ground zero for the nation s growing anti apartheid movement Flashpoint serves as a poignant reminder that sports and politics have always been closely intertwined The Other World Joseph N. Weatherby,Craig Arceneaux,Emmit B. Evans,Dianne Long,Ira Reed,Olga D. Carter,2016-01-08 The Other World combines a thematic and area studies approach to explore contemporary global issues in the developing world Accessible and interdisciplinary this text offers political economic social and historical analysis plus case studies on Latin America Sub Saharan Africa North Africa and the Middle East Central Asia and the Southern Near Abroad and Asia Highlighting similarities and differences among these regions and focusing on enduring problems The Other World is a practical look at the issues affecting the majority of the world s population Flashpoint Epistemology Volume 1 Bernadette Baker,Antti Saari,Liang Wang,Hannah Tavares,2023-12-19 The 21st century is steeped in claims to interconnection technological innovation and new affective intensities amid challenges to the primacy and centrality of the human Flashpoint epistemology attends to the lived difficulties that arise in teaching policymaking curriculum and research among continuous practices of differentiation and for which there is no pre existing template for judgment resolution or action Flashpoint Epistemology Volume 1 examines contemporary collisions and reworkings of cultural political issues in education through arts and humanities based approaches How and whether lines are re drawn in educational practice and via who what between justice morality religion ethics subjectivities intersectionality the

sublime and the senses are a particular focus The volume offers innovative relational approaches and new narrativization strategies examining the aporia experienced when operating in educational domains of inevitable recurring difficult fortuitous and or unforeseen flashpoints The chapters will engage researchers seeking new approaches to education s complexities nested discourses and ever moving horizons of enactment It will also benefit post graduate students and teachers whose work intersects with sociological philosophical and cultural studies and who are curious about claims to interconnection the ethical quandaries embedded in practice and the affordances and limits of technological innovation

War and Religion Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers

African Immersion Julius A. Amin, 2014-12-18 Based on previously unused primary sources including extensive interviews in Cameroon personal journals diaries responses to questionnaires and a variety of secondary sources this study is a critical analysis of US study abroad programs in Africa Using the University of Dayton Cameroon Immersion program as a case study the work examines different aspects of experiential learning including selection orientation activities of US college students in Cameroon post immersion meetings and impact of program The nation of Cameroon and University of Dayton are uniquely ideal for the study as Cameroon is considered Africa in miniature and serves as a window to understanding many of Africa s political economic cultural and social complexities Located in the American Midwest the University of Dayton while unique shares many similarities with other American universities The study expands the boundaries of scholarship on study abroad By comparing the impact of the African experience on students to that of Returned Peace Corps Volunteers who served in that continent the study opens up avenues for comparative analyses Africa is vital to the global community and with its complex political economic cultural and social systems offers important lessons to understanding students ability to adapt to change in a rapidly changing global
