only too clear to Luke and Beth that they are actually in another time As the days pass two questions begin to loom Will they ever return to tell their story or are they doomed to stay there forever How far can the clues take them on this journey

s continuing relevance through the generations into modernity For example the story Showdown in Court a confrontation between King Yannai and the Rabbinic judges provides insights into controversial struggles in U S history to balance governmental power the story of Honi s seventy year sleep becomes a window into the indignities of aging Through the prism of Talmud tales Rubenstein also offers timeless insights into suffering beauty disgust heroism humor love sex truth and falsehood By connecting twenty first century readers to past generations The Land of Truth helps to bridge the divide between modern Jews and the traditional narrative worlds of their ancestors
