Justifiable Sins:

Original sin, free-will, grace, regenerations, justification, faith, good works and universal redemption ... wick are the groundwork of the articles of our established church Henry John Todd,1818 **The Marrow of the Church. The doctrines of Original Sin, Justification by Faith, and the Holy Spirit ... Second edition. (The Marrow of the Church. The doctrines of Christ's Righteousness imputed and Regeneration ... stated, etc. pt. 2.)** William HAMMOND (B.A., of St. John's College, Cambridge.),1814 **The Doctrine of Justification by Faith** John Owen,2016-09-28 A puritan approach to justification Owen explores the early church and other historical thinking about the topic of justification Then he approaches the topic of faith and how importantly that plays in our being justified Lastly he expounds on the Lord Jesus righteousness as the reason that we can stand justified **Original Sin, Free-Will, Grace, Regeneration, Justification, Good Works, and Universal Redemption, as maintained in certain declarations of our Reformers, which are the groundwork of the Articles of our Established Church upon these subjects. With an important account of the Subscription to the Articles in 1604, and an historical and critical introduction to the whole** Henry John TODD (Archdeacon of Cleveland.),1818 **Since We are Justified by Faith** Michael Parsons,2014-07-08 An accessible and academic reading of the doctrine of justification by faith It is often assumed that the Reformation taught justification by faith as if there was a monolithic view of the doctrine Since We Are Justified By Faith is a collection of important essays that dispel this myth demonstrating the diverse theologies of that period Experts in the field including Cameron MacKenzie Aaron OKelly Jeff Fisher Kirk MacGregor Mary Patton Baker Karin Spiecker Stetina David Hall Bonnie Pattison Timothy Shaun Price Andre Gazal and Chris Ross write on the theologies of Luther Melancthon Oecolampadius Marpeck Calvin and the English reformers to give a nuanced reading of the doctrine in sixteenth century Protestant theology **Original Sin, Free-will, Grace, Regeneration, Justification, Faith, Good Works, and Universal Redemption** Henry John Todd,1818 **The Doctrine of Justification by Faith through the imputation of the Righteousness of Christ, explained, confirmed and vindicated** John OWEN (D.D.),1816 **A Pauline Theology of Justification** James B. Prothro,2023-02-21 Paul s teaching about justification is always important for understanding the apostle and for Christian theology And for that same reason it is always debated James B Prothro s book looks at the apostle s words about righteousness faith the Mosaic law and life in Christ to connect the dots of Paul s thought and to bring Paul into dialogue with major theological traditions He offers an account of justification that is both forensic and thoroughly participatory God s gift of forgiveness friendship and new life in Christ through the Spirit **Justification and the Kingdom of God, Volume Two** Paul Chul Hong Kang,2025-02-11 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals

the deeper meaning of the gospel and the restoration of God's image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Justification strengthens readers with the truth that eternal life becoming the children of the living God through Jesus's perfect obedience includes the restoration of God's image in Jesus This restoration achieved through Jesus defines human wisdom knowledge righteousness holiness and goodness in Christ as God's children This book warns against following intellectualism and moralism in liberals which are driven by the marred image of God due to Adam's sin as guides for one's thoughts and actions Justification by God's grace alone is the foundation of true Christian growth in Jesus the core of a Christian's identity and the source of gratitude joy and peace This book continually encourages readers Don't give up on yourself You are a child of God *A Critical Commentary and Paraphrase on the Old and New Testament and the Apocrypha* Simon Patrick, 1822 *Justification by Faith Alone* Theodore Beza, Amandus Polanus, Francis Turretin, 2023-04-10 The treatises in this volume begin and end with this same point Justification is by faith and faith alone Composed under different circumstances by giants of the Reformed tradition Theodore Beza 1519-1605 Amandus Polanus 1561-1610 and Francis Turretin 1623-87 they represent various approaches to the same doctrine Presented in English for the first time these texts proved the article on which the Church stands or falls from exegetical systematic academic and polemical perspectives Together they offer a new window into post-Reformational thought theological concerns including the nature of faith good works sanctification union with Christ the Holy Spirit hermeneutics the unity of Scripture and more *The Christian Doctrine of Justification and Reconciliation* Albrecht Ritschl, 1902 **Richard Hooker and his Early Doctrine of Justification** Cornelius C. Simut, 2019-10-01 Richard Hooker and his Early Doctrine of Justification explores the doctrine of justification the doctrine of faith and grace and the doctrine of Scripture and use of reason in the early theology of Richard Hooker In order to prove that Hooker was a Protestant Reformed theologian Simu concentrates on Hooker's doctrine of justification as reflected in his *Learned Discourse of Justification* which is the most important work of his early theology Unlike previous books on Hooker which use primarily the theology of Luther and Calvin to draw conclusions this book brings together quotations and ideas from the works of Luther Melancthon Zwingli Bucer Calvin and Beza to show that Hooker was a Protestant Reformed theologian Simu also discusses the theological context of Hooker's career by offering an analysis of the doctrine of justification in the theology of John Jewel John Whitgift Hooker's patrons and Thomas Cartwright and Walter Travers Hooker's Puritan opponents *Reformed Dogmatics: Soteriology* Geerhardus J. Vos, 2015-11-20 Like books people can become classics Great in their day but richer and more fulfilling with time Not yet a classic Vos's never before published *Reformed Dogmatics* is more like a lost Shakespeare play recently discovered Michael Horton Until recently *Reformed Dogmatics* was only available in its original Dutch But now you too can access Geerhardus Vos's monumental work of systematic theology This brand new English translation was edited by biblical theologian and Vos expert Richard B. Gaffin Jr In Volume Four *Soteriology* Vos discusses The nature of salvation The

evidence of salvation The order of salvation ordo salutis And more *Justification by Faith Alone* John Eedes,2014-03-02 Being concerning with the state of theology in his day surrounding justification being sorely abused Eedes took great pains to write carefully and almost exhaustively about the biblical doctrine of justification by faith alone He takes to task Mr Erye Mr Woodbridge and Mr Baxter on their deviant writings concerning the doctrine and thoughtfully sets down the Bible s teaching in accordance with orthodox Christianity Eedes shows that justification by faith alone is not a physical act but a judicial act Justification is not by inherent righteousness but God as judge in the court of mercy by judicial declaration remits sin to the believer through Christ s merits and absolves the sinner repenting and believing He masterfully refutes Antinomianism Arminianism Roman Catholicism and the new divinity of Richard Baxter on this point of doctrine His aim is to press Christians not to be confounded on this foundational point of theology but to embrace the truth and follow it in order to attain salvation found only through the merits of Jesus Christ There is no doubt that this is one of the best treatments of justification by faith alone in print from any age in church history Its usefulness today is without question knowing that so many professing Christians have no idea how to define or explain this crucial doctrine Here Mr Eedes will be of the utmost help This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **Challenging the Traditional Interpretations of Justification by Faith, Part 2** John A.

Campbell,Tony H. Espinosa,Martin H. Fuller,Mitchell J. Kennard,Joel I. Oladele,John-Paul Petrash,Kerry S. Robichaux,2023-07-03 This volume is the second of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 2 continues the evaluation begun in part 1 by examining the teaching of justification by faith from the mid sixteenth century to the twenty first century Throughout these centuries numerous accounts of this foundational Christian truth have been offered and many controversies have been and continue to be fought Beginning with the Lutheran tradition in the opening chapter the authors identify the contributions and shortcomings of each of the major Christian traditions While many of the Christian traditions have contributed some light to the church s understanding of justification by faith the authors contend that most of them have fallen short of the truth that in justification God approves the believers solely on account of their union with Christ as righteousness through faith **Justification and Sanctification** Peter Toon,2018-01-11 In the sixteenth century the Western Church was rent asunder by the quarrel over justification Today scholars from churches on both sides of the controversy are carefully rethinking the question Dr Toon shows how contemporary biblical scholarship and exegesis are attempting to resolve the thorny question of justification without compromising the integrity of either side Provocative and far reaching in its analysis and conclusions Justification and Sanctification gives the student an invaluable introduction while providing the scholar a fresh look at the issue **Justification and the Kingdom of God, Volume Two** Paul Chul Hong Kang,2025-02-11 The Justification and Kingdom of God series seeks to answer the question How can justified

Justification without Conditions William Eyre, 2014-05-07 Justification without Conditions or the Free Justification of a Sinner Explained Confirmed and Vindicated from the Exceptions Objections and seeming Absurdities which are cast upon it by the Assertors of Conditional Justification wherein also the Absoluteness of the New Covenant is proved and the Arguments against it are disproved For the present I shall only say that there being too great evidence of very welcome entertainment and acceptance given by many to an almost pure Socinian Justification and Exposition of the Covenant of Grace All solid learned sober endeavors for the Vindication of the Absoluteness Freedom Independency and Preeminence of that Grace in Jesus Christ whereby we are saved will doubtless find acceptance with the Children of Gospel Wisdom and all that love the glory of Him that bought us Amongst such Labors and Endeavors I commend to thy consideration the ensuing Treatise and commit thee to the Lord John Owen Westminster Nov 7 1653

Special Issue—Justification by Faith: A Historical Evaluation Various, 2024-12-01 In this issue of Affirmation Heb 1:3 it is impossible to progress in our full salvation without the assurance and without the security that come with a proper realization and experience of justification by faith The faith that joins us to Christ as righteousness for our justification is the very faith that permeates and operates throughout all of God's salvation work in His believers 1 Tim 1:4 and thus a proper understanding of justification by faith sets us on the right path to the full salvation of our entire being Our hope is that in reading these accounts of the church's advancing understanding of justification by faith across the millennia our readers will come to the same appreciation and the same boldness that we have arrived at in writing these accounts
