Justinian the Great, the Emperor and Saint Asterios Gerostergios,1982 *Justinian* Peter Sarris,2023-10-24 A definitive new biography of the Byzantine emperor Justinian Justinian is a radical reassessment of an emperor and his times In the sixth century CE the emperor Justinian presided over nearly four decades of remarkable change in an era of geopolitical threats climate change and plague From the eastern Roman or Byzantine capital of Constantinople Justinian s armies reconquered lost territory in Africa Italy and Spain But these military exploits historian Peter Sarris shows were just one part of a larger program of imperial renewal From his dramatic overhaul of Roman law to his lavish building projects to his fierce persecution of dissenters from Orthodox Christianity Justinian s vigorous statecraft and his energetic efforts at self glorification not only set the course of Byzantium but also laid the foundations for the world of the Middle Ages Even as Justinian sought to recapture Rome s past greatness he paved the way for what would follow *The Emperor Justinian and the Byzantine Empire* James Allan Stewart Evans,2005-01-30 This survey of the reign of the Emperor Justinian and the Byzantine Empire dissects the complicated political and military environment surrounding Constantinople and the Byzantine Empire in the 6th Century CE and discusses the ambitions and achievements of the Emperor Justinian **Justinian I** Kelly Rodgers,2012-07-30 In this captivating biography readers will learn how Emperor Justinian I ruled the Byzantine Empire for 38 years Featuring eye catching images maps photos stunning facts and easy to read text readers will be introduced to Justinian s Code the Nika Rebellion and iconoclasm Readers will be fascinated as they discover that Justinian put down a rebellion conquered new territory and even survived the bubonic plague To provide readers with tools they ll need to better understand the content this book features an accessible glossary and index 1866-7, or 1868, the Great Year predicted by Daniel & St. John as indicated by prophetic dates ... Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *Lesser-Known Saints of the Early Church* Leo Papadopoulos,2020-04-02 The great saints of the Church are known to everyone They are known to people and they are known to God The lesser known saints are not known to everyone They are known to God but not to people But they too were saints in their own right

They too struggled for the same goals as did the great ones In this collection Leo Papadopoulos tries to bring to light some of the lives of those men of God who struggled unbeknownst to anyone and passed by unnoticed by the eyes of the beholders Therefore those of us who honor and observe them must bear in mind that if we honor the saints we honor God and this falls in line with the old proverb which states Praise God in his saints They too labored for the same goal as did the greater ones and helped to perpetuate the life of the church throughout history Many of them became martyrs many more became confessors Many suffered for the Faith And through all their efforts they bolstered the institution of Christianity which is the kingdom of God on earth and which proclaims By his saints God has performed wonders on earth Amen Russian

plot This Element on the archaeology of St Polyeuktos takes a closer look at these narratives and subject them to critical examination In the end the study of St Polyeuktos will tell us as much about Byzantine architectural history in the second half of the twentieth century as about early Byzantine architecture itself **The Principles of Roman Law and Their Relation to Modern Law** William Livesey Burdick,2004 This text presents a general survey of the principles of Roman law as they have developed over time with respect to their place in civil law English common law and the American and Canadian legal systems This book is a solid introduction to the subject of Roman law and its application in personal and family law in subsequent legal systems **Saints and Spectacle** Carolyn L. Connor,2016-02-10 Saints and Spectacle examines the origins and reception of the Middle Byzantine program of mosaic decoration This complex and colorful system of images covers the walls and vaults of churches with figures and compositions seen against a dazzling gold ground The surviving eleventh century churches with their wall and vault mosaics largely intact Hosios Loukas Nea Moni and Daphni in Greece pose the challenge of how when and where this complex and gloriously conceived system was created Using an interdisciplinary approach Connor explores the urban culture and context of church building in Constantinople capital of the Byzantine Empire during the century following the end of Iconoclasm of around 843 to 950 The application of an innovative frame of reference through ritual studies helps recreate the likely scenario in which the medium of mosaics attained its highest potential in the mosaiced Byzantine church For mosaics were enlisted to convey a religious and political message that was too nuanced to be expressed in any other way At a time of revival of learning and the arts and development of ceremonial practices the Byzantine emperor and patriarch were united in creating a solution to the problem of consolidating the Greek Orthodox Byzantine Empire It was through promoting a vision of the unchallengeable authority residing in God and his earthly representative the emperor The beliefs and processional practices affirming the protective role of the saints in which the entire city participated were critical to the reception of this vision by the populace as well as the court Mosaics were a luxury medium that was ideally situated aesthetically to convey a message at a particularly important historical moment a brilliant solution to a problem that was to subtly unite an empire for centuries to come Supported by a wealth of testimony from literary sources Saints and Spectacle brings the Middle Byzantine church to life as the witness to a compelling and fascinating drama **On the Person of Christ** Justinian I (Emperor of the East),1991 At the opening of the sixth century large segments of the Roman Empire had fallen to barbarian warlords The Churches of Rome and Constantinople were locked in a schism rooted in different attitudes towards the decrees and definitions of the Fourth Ecumenical council held at Chalcedon in 451 The emperor Justinian 527 565 dreamed of reunifying and restoring the Empire but to accomplish this he needed a unified Church Before Justinian ascended the throne the schism between Rome and Constantinople had been healed largely due to Justinian s influence but a significant segment of the Eastern population dubbed monophysites would not accept the union and the imperial church remained divided **The Holy See and the**
