Juvenile Justice (Care And Protection Of Children) Act, 2000:

The Act is a central Act, which came into force on April 1, 2001, through out the country. It is based on

The Juvenile Justice Act in its preamble itself signifies the need of the child care by providing for an Act to consolidate and amend the law relating to juveniles in conflict with law and children in need of care and protection by providing for proper care, protection and treatment by catering to their development needs, and by adopting a child-friendly approach in the adjudication and disposition of matters in the best interest of children and for their ultimate rehabilitation through various institutions established under the Act. Recently the exhaustive amendments of 2006, and rules framed in the year 2007 is credit worthy as it incorporates many aspects regarding juvenile

Disability Research and Policy Richard J. Morris,2006-04-21 Scholars working on a research project at the University of Arizona look at some relatively new areas of research and scholarship concerning adults and children within the area of disability and critically examine various public policy and legal issues that impact the daily lives of many people having disabilities Among their topics are the use of [Index of Research Projects ...](#) United States. Work Projects Administration,1938 *Youth, Crime, and Justice* Clayton A Hartjen,2008-03-25 Close to half of the world's population is below the age of criminal jurisdiction in most countries Many of these young people are living in poverty and under totalitarian regimes Given their deprived and often abject circumstances it is not surprising that many of them become involved in crime In *Youth Crime and Justice* Clayton A Hartjen provides a broad overview of juvenile delinquency how it manifests itself around the world and how societies respond to misconduct among their children Taking a global rather than country specific approach chapters focus on topics that range from juvenile laws and the correction of child offenders to the abuse exploitation and victimization of young people Hartjen includes specific examples from the United States Australia Spain Switzerland New Zealand Japan India Egypt and elsewhere as he sorts through the various definitions of delinquent and explores the differences in behavior that contribute to these classifications Most importantly his in depth and comparative look at judicial systems worldwide raises questions about how young offenders should be corrected and how much fault can be laid on misbehaving youths acting out against the very societies that produced them **Racial Issues in Criminal Justice** Marvin D. Free,2003-09-30 Almost a third of all African American men in their twenties in the United States are in jail or prison or on probation or parole African Americans who comprise approximately 13% of the general population make up about half of the prison population Between 1980 and 2000 38 states added more African American men to their prison systems than were added to their respective systems of higher education However these statistics fail to tell the entire story To understand how the dynamics of disproportionate minority confinement came to exist one must examine the historical and cultural antecedents that affected and continue to affect this group Examining proposed solutions and providing alternative perspectives this volume addresses the overrepresentation of African Americans in the criminal justice system by critically examining the significance of race in American society and criminal justice responses to crime and

African Americans Offering a critical examination of the issues this collection begins with a discussion of the marginalization of African Americans in the academic discipline of criminal justice and in the larger society an assessment of the impact of the legacy of slavery on private prisons and mass imprisonment and an empirical examination of the depiction of African Americans in prime time television crime programs Part II looks at racial profiling the underrepresentation of African Americans in hate crime victimization research the impact of race on presentencing the trend toward trying juveniles in adult court and the discriminatory treatment of African Americans in capital eligible cases Finally Part III discusses the impact of African American police officers on the profession analyzes black juror nullification proposes an increase in the presence of African American jurors and assesses the potential ameliorative impact of restorative justice on the current racial imbalance in the criminal justice system *Snapshots of Research* Richard D. Hartley, 2010-10-20 *Snapshots of Research Readings in Criminology and Criminal Justice* is a comprehensive cutting edge text that provides an introductory overview of the main research methods used in the fields of criminology and criminal justice This text reader offers a wide range of modern research examples as well as several classic articles including a broad range of readings from the four major branches of the criminal justice system policing courts law juvenile justice and corrections that are relevant to career paths students may be interested in pursuing **Juvenile Offenders and Victims** ,2006 Critical Issues In Crime and Justice Albert R.
