Kaleidoscope Mallory Rowse, 2023-10-13 Come and marvel at how life at large can be encapsulated into a microcosm in the form of poetic license Let this book be your companion when seeking to have some me time and to chill out in your own chosen surroundings Or discuss Mallory's poems in more depth with others Poetry can truly dazzle and serves as an equal alternative to the excitement of reading novels The beauty of poetry is the choice given to read any extract to another appropriate age group that can introduce them into this wonderful genre of literature Similar to music the titles stay with the reader and will in virtual speak stamp its date and location to induce its messages across the wide spectrum of what everyone likes to imagine or likes to encounter Poetry is the perfect treat or gift for anyone who would like to travel on a magic carpet away from the madding crowd Soothe yourself instead in contrast to an edge of seat thriller novel or film Enjoy
